

34MM MOUNTAIN TECH RINGS - WARNE MFG. COMPANY 34MM LOW (0.945") RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

"Ounces are pounds, Pounds are pain" The credo of the backcountry hunter. When tired legs are the only mode of transportation. When the air feels thin, and feet feel heavy. When months of preparation, training and sleepless nights thinking about the upcoming hunt culminate into a single moment, placing the crosshair where it needs to be for the perfect shot. Warne Mountain Tech is the ultimate lightweight precision scope mounting system. Don't leave your dream hunt to chance. When every ounce matters, and every shot counts, Warne Mountain Tech are the scope mounts you can depend on. Precision CNC machined from 7075/T6 aluminum for a high strength & lightweight platform Mil-Spec hardcoat anodized finish for abrasion and corrosion resistance. Rings feature stainless steel hardware for "Element Proof" protection. Mil-Spec 65 in/lb., 1/2" tactical nut attachments for securely clamping to the rail. Fits Picatinny & Weaver style mounts and are NATO-STANAG compatible.

Safety Instruction Guide for 34MM Mountain Tech Rings

Introduction

Thank you for choosing the 34MM Mountain Tech Rings by Warne Mfg. Company. These precision scope mounting rings have been designed for safety, durability, and performance. Please read this guide carefully to ensure safe use and proper installation of the product.

General Safety Guidelines

- Always inspect the product for any damage before use.
- Ensure that the rings are compatible with your scope and mounting rail.
- Follow all installation instructions to avoid improper use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only with compatible Picatinny or Weaver style mounts.
- Do not exceed the recommended torque specifications of 65 in/lb.
- Avoid using the rings in extreme environmental conditions without proper protection.
- Ensure that the rings are securely fastened before use to prevent scope movement.
- Regularly check the condition of the rings and hardware for wear or damage.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools: a torque wrench and appropriate screwdrivers.
- Ensure you are working in a clean, dry area.

2. Installation Steps

- Place the scope into the rings and align it to your desired position.
- Position the rings on the rail, ensuring they fit securely.
- Attach the rings to the rail using the included stainless steel hardware.
- Use a torque wrench to tighten the attachments to 65 in/lb. Do not overtighten.

3. Usage Tips

- Once installed, check the alignment of your scope before heading out.
- Make adjustments as needed for optimal performance.
- Regularly inspect the rings during use, especially after heavy use or in harsh conditions.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum components where possible.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please contact your local distributor or visit our official website. Ensure that you have your product details available for reference.

Thank you for your attention to safety. Enjoy your hunting experience with confidence in your Warne Mountain Tech Rings!
