

# 34MM MOUNTAIN TECH RINGS - 34MM ULTRA HIGH (1.40") RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

"Ounces are pounds, Pounds are pain" The credo of the backcountry hunter. When tired legs are the only mode of transportation. When the air feels thin, and feet feel heavy. When months of preparation, training and sleepless nights thinking about the upcoming hunt culminate into a single moment, placing the crosshair where it needs to be for the perfect shot. Warne Mountain Tech is the ultimate lightweight precision scope mounting system. Don't leave your dream hunt to chance. When every ounce matters, and every shot counts, Warne Mountain Tech are the scope mounts you can depend on. Precision CNC machined from 7075/T6 aluminum for a high strength & lightweight platform Mil-Spec hardcoat anodized finish for abrasion and corrosion resistance. Rings feature stainless steel hardware for "Element Proof" protection. Mil-Spec 65 in/lb., 1/2" tactical nut attachments for securely clamping to the rail. Fits Picatinny & Weaver style mounts and are NATO-STANAG compatible.

# Safety Instruction Guide for 34MM Mountain Tech Rings

## Introduction

Thank you for choosing the 34MM Mountain Tech Rings. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a scope mounting system.
- Regularly inspect the product for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding firearm accessories and usage.
- In case of an emergency or unsafe condition, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- When mounting your scope, ensure that the rings are securely fastened to prevent any movement during use.
- Avoid overtightening the rings, as this may cause damage to the scope or the mounting system.
- Ensure that the mounting surface is clean and free from debris to ensure a secure fit.
- Do not modify the product in any way, as this may compromise its safety and performance.
- Be cautious when handling sharp tools during installation to prevent personal injury.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench set to 65 in/lb.
- Ensure your workspace is clean and welllit.

### 2. Installation Steps

- Place the scope into the rings and align it to your desired position.
- Securely clamp the rings to the Picatinny or Weaver rail using the provided stainless steel hardware.
- Tighten the tactical nut attachments to 65 in/lb using the torque wrench.
- Doublecheck the alignment and security of the scope before use.

### 3. Usage Tips

- After installation, verify that the scope maintains its position during handling and shooting.
- Recheck the tightness of the rings after the first use, as they may settle.
- Regularly maintain and clean the scope and mounting system to ensure optimal performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the materials if possible.

## **Contact Information for Further Support**

- For safety inquiries or further assistance, please contact your local retailer or the manufacturer directly.

By following these guidelines, you can ensure the safe and effective use of your 34MM Mountain Tech Rings.  
Thank you for your attention to safety and responsible usage.
