

WINCHESTER 70 LONG ACTION MOUNTAIN TECH SCOPE RAIL - WARNE MFG. COMPANY WINCHESTER 70 LA 0 MOA RAIL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

“Ounces are pounds, Pounds are pain” The credo of the backcountry hunter. When tired legs are the only mode of transportation. When the air feels thin, and feet feel heavy. When months of preparation, training and sleepless nights thinking about the upcoming hunt culminate into a single moment, placing the crosshair where it needs to be for the perfect shot. Warne Mountain Tech is the ultimate lightweight precision scope mounting system. Don't leave your dream hunt to chance. When every ounce matters, and every shot counts, Warne Mountain Tech are the scope mounts you can depend on. Precision CNC machined from 7075/T6 aluminum for a high strength & lightweight platform Mil-Spec hardcoat anodized finish for abrasion and corrosion resistance. Bases feature black zinc coated hardware for “Element Proof” protection. Self centering tapered T-15 Torx screws. Fits Picatinny & Weaver style mounts and are NATO-STANAG compatible.

Safety Instruction Guide for WINCHESTER 70 LONG ACTION MOUNTAIN TECH SCOPE RAIL

Introduction

Thank you for choosing the WINCHESTER 70 LONG ACTION MOUNTAIN TECH SCOPE RAIL from Warne MFG. Company. This product is designed for precision and durability in the field. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, installation, usage, and disposal.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model.
- Inspect the scope rail for any damage before installation. Do not use if damaged.
- Always follow the manufacturer's instructions for mounting and usage.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the scope rail.
- Use appropriate tools for installation to avoid damaging the screws or rail.
- Do not exceed the weight limit specified for the rail to prevent failure.
- Avoid exposing the product to extreme temperatures or harsh chemicals.
- Ensure that the scope is securely mounted before use to prevent accidents.
- Regularly check the tightness of screws and the condition of the rail during use.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** You will need a T15 Torx screwdriver for installation.
2. **Prepare the Firearm:** Ensure the firearm is unloaded and safe to handle.
3. **Align the Rail:** Position the scope rail on the firearm's receiver in accordance with the manufacturer's specifications.
4. **Insert Screws:** Use the selfcentering tapered T15 Torx screws provided with the rail.
5. **Tighten Screws:** Securely tighten the screws to the manufacturer's torque specifications without overtightening.
6. **Final Check:** Inspect the installation to ensure the rail is securely attached and properly aligned.

Usage

- Once installed, mount the scope according to the scope manufacturer's instructions.
- Regularly inspect the rail and scope for any signs of wear or loosening.
- Always follow proper firearm safety practices when handling the firearm with the mounted scope.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the product in regular household waste.
- Check for any recycling programs in your area that accept aluminum products.

Contact Information for Further Support

For any safety inquiries or support regarding the WINCHESTER 70 LONG ACTION MOUNTAIN TECH SCOPE RAIL, please refer to your local dealer or the manufacturer's website for further assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your WINCHESTER 70 LONG ACTION MOUNTAIN TECH SCOPE RAIL. Thank you for prioritizing safety and responsible usage.
