

UNIVERSAL SCOPE LEVEL 34MM

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

Accurate adjustments made at extreme distances require that riflescopes and platforms be exactly level before taking a shot, and the Warne Mfg. Universal Scope level is an easy add-on for any precision shooter that enables them to verify the vertical alignment of their optic and rifle. The level clamps onto the main-body tube of the scope, and levels are available for the following tube sizes: 1-inch, 30mm, 34mm and 35mm. Each level features a matte-black finish.

Safety Instruction Guide for the Universal Scope Level 34mm

Introduction

Thank you for choosing the Warne Mfg. Universal Scope Level 34mm. This product is designed to enhance your shooting experience by ensuring that your riflescope and rifle are perfectly aligned. It is crucial to follow the safety guidelines outlined in this manual to ensure safe and effective use.

General Safety Guidelines

- Always verify that the scope level is securely attached before use.
- Inspect the product for any damage or defects before installation.
- Use this product only as intended; do not modify or alter it.
- Keep the scope level out of reach of children to prevent accidents.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or adjusting the scope level.
- Avoid using the scope level in adverse weather conditions that may affect visibility or functionality.
- Do not use the scope level as a substitute for proper shooting techniques.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you notice any irregularities during use, cease operation immediately and inspect the product.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the rifle is unloaded and in a safe position.
2. **Clamping:**
 - Locate the mainbody tube of your scope.
 - Open the clamp of the Universal Scope Level.
 - Position the level on the tube, ensuring it is centered.
 - Close the clamp securely, ensuring it does not move during use.
3. **Verification:**
 - Check that the level is aligned correctly by looking through the scope.
 - Adjust as necessary to ensure accurate readings.

Usage

- Before taking a shot, ensure that the level indicates a balanced position.
- If the bubble is not centered, adjust the rifle or scope until it is.
- Maintain a steady hand while aiming to prevent movement that could misalign the level.

Disposal Instructions

- Dispose of the Universal Scope Level according to local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, check with local waste management for appropriate disposal methods.
