

30MM MOUNTAIN TECH RINGS - 30MM LOW (0.865") RINGS, BURNT BRONZE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

"Ounces are pounds, Pounds are pain" The credo of the backcountry hunter. When tired legs are the only mode of transportation. When the air feels thin, and feet feel heavy. When months of preparation, training and sleepless nights thinking about the upcoming hunt culminate into a single moment, placing the crosshair where it needs to be for the perfect shot. Warne Mountain Tech is the ultimate lightweight precision scope mounting system. Don't leave your dream hunt to chance. When every ounce matters, and every shot counts, Warne Mountain Tech are the scope mounts you can depend on. Precision CNC machined from 7075/T6 aluminum for a high strength & lightweight platform Mil-Spec hardcoat anodized finish for abrasion and corrosion resistance. Rings feature stainless steel hardware for "Element Proof" protection. Mil-Spec 65 in/lb., 1/2" tactical nut attachments for securely clamping to the rail. Fits Picatinny & Weaver style mounts and are NATO-STANAG compatible.

Safety Instruction Guide for 30MM Mountain Tech Rings

Introduction

Thank you for choosing the 30MM Mountain Tech Rings. This guide provides important safety information and instructions to ensure safe use and installation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is suitable for your firearm and scope specifications.
- Always handle firearms and accessories safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for signs of wear or damage.
- Do not exceed the manufacturer's recommended torque specifications during installation.
- Report any unsafe conditions or accidents to the local authorities.

Specific Safety Precautions for Use

- Use the rings only for their intended purpose as scope mounts.
- Avoid using the rings in extreme temperatures or conditions that may affect their performance.
- Ensure that the rings are securely attached to the rail before use.
- Do not modify or alter the rings in any way.
- Always wear appropriate eye protection when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools: a torque wrench and appropriate screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation of the Rings

- Place the rings onto the Picatinny or Weaver rail.
- Align the rings with the scope tube and ensure they are positioned correctly.
- Use the stainless steel hardware provided to attach the rings securely.
- Tighten the tactical nut attachments to a torque of 65 in/lb. using the torque wrench.
- Doublecheck the alignment and security of the rings before proceeding.

3. Mounting the Scope

- Carefully place the scope into the rings.
- Adjust the position of the scope for optimal eye relief and alignment.
- Tighten the ring screws evenly to avoid uneven pressure on the scope.

4. Final Checks

- Inspect the installation to ensure everything is secure.
- Perform a test to confirm the scope is held firmly in place.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the aluminum components where possible.

Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to your local retailer or manufacturer.

Thank you for your attention to these safety instructions. Enjoy your hunting experience with the 30MM Mountain Tech Rings!
