

BROWNING X-BOLT SHORT ACTION MOUNTAIN TECH TACTICAL RAIL - BROWNING X-BOLT SA TACTICAL RAIL 0 MOA BURNT BRONZE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Don't leave your next hunt to chance. Ensure you have the best possible equipment on your rifle to make the perfect shot when it counts, and one critical component of making the perfect shot is ensuring that your optics are solidly mounted to your Browning X-Bolt short-action rifle. For these rifle owners, the Warne Mountain Tech Tactical Rail is the perfect solution, since it's machined from lightweight, yet durable, 7075-T6 aluminum. The Picatinny-style base features a matte-black finish that wards off corrosion and wear while eliminating glare.

BROWNING XBOLT SHORT ACTION MOUNTAIN TECH TACTICAL RAIL Safety Instruction Guide

Introduction

Thank you for choosing the Browning XBolt Short Action Mountain Tech Tactical Rail. This product is designed to enhance the performance of your Browning XBolt rifle by providing a reliable mounting solution for your optics. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting any components.
- Inspect the tactical rail for any signs of damage or wear before use.
- Ensure that all screws and mounts are securely tightened before each use.
- Be aware of your surroundings when handling firearms and always follow local laws regarding firearm safety.
- Keep the tactical rail and all firearm accessories out of reach of children and unauthorized users.
- Regularly check for product recalls or safety notices related to your tactical rail.

Specific Safety Precautions for Use

- Use only compatible optics with the Browning XBolt Short Action Mountain Tech Tactical Rail.
- Avoid using excessive force when tightening screws to prevent damage to the rail or rifle.
- Do not modify the tactical rail in any way, as alterations may compromise safety and performance.
- If you experience any difficulty during installation or use, seek assistance from a qualified professional.
- Always wear appropriate eye protection when handling firearms and during installation.

Instructions for Installation and Usage

1. Preparation

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and any specific tools required for your optics.

2. Installation

- Place the tactical rail on the receiver of the Browning XBolt rifle.
- Align the rail with the mounting holes on the receiver.
- Insert screws through the rail into the receiver, ensuring they fit securely.
- Tighten screws evenly, alternating sides, to ensure even pressure.
- Do not overtighten, as this may strip the screws or damage the rail.

3. Mounting Optics

- Follow the mounting instructions specific to your optics.
- Ensure that the optics are securely attached to the tactical rail.
- Doublecheck that all screws are tightened before use.

4. Usage

- Regularly check the mounting of the optics before each use.
- If you notice any movement or looseness, stop using the rifle and tighten the mount.

Disposal Instructions

- Dispose of the tactical rail in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling materials where possible.
- Do not dispose of in regular household waste.

Contact Information for Further Support

For any safety inquiries, concerns, or additional support regarding the Browning XBolt Short Action Mountain Tech Tactical Rail, please contact the manufacturer or refer to the official Browning website for more information.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Browning XBolt rifle and the Mountain Tech Tactical Rail.
