MAXIMA HORIZONTAL RINGS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MAXIMA HORIZONTAL RINGS by Warne Mfg. Company. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope rings. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure that the product is suitable for your specific firearm and scope combination.
- Store the rings in a dry and cool environment to prevent corrosion and degradation.
- Regularly inspect the rings for signs of wear or damage before each use.
- If you notice any defects or irregularities, do not use the product and contact customer support.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded when installing or adjusting the scope rings.
- Use the correct tools as specified in the installation instructions to avoid damaging the product.
- Do not exceed the recommended torque settings when securing the screws to prevent stripping or damaging the threads.
- Avoid using excessive force when adjusting the scope after installation to maintain proper alignment.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and safe.
- Gather the required tools: a torque wrench and the appropriate screwdrivers.

2. Installation:

- Place the scope rings on the mounting base according to the manufacturer's instructions.
- Align the scope tube within the rings, ensuring it is level and properly positioned for your shooting needs.
- Secure the ring caps using the provided screws. Tighten each screw gradually, alternating between them to ensure even pressure.
- Set the torque wrench to the manufacturer's recommended torque setting and tighten the screws to that specification.

3. Usage:

- After installation, check the alignment of the scope and make any necessary adjustments.
- Conduct a thorough function check to ensure the scope is securely mounted and operates correctly.

4. PostUse Care:

- After use, clean the rings and surrounding area to prevent dirt and moisture buildup.
- Store the firearm and scope in a safe location, ensuring that the rings are protected from impact.

and environmental damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and electronic waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about proper disposal methods, consult your local waste management authority.
