# MAXIMA Horizontal Rings Safety Instruction Guide

## Introduction

Thank you for choosing the MAXIMA Horizontal Rings by Warne Manufacturing Company. This guide provides essential safety instructions for the use and installation of your scope rings. Please read this guide carefully to ensure safe and proper usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the installation instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the scope rings for any signs of wear or damage.
- If you notice any defects or if the product has been involved in an accident, stop using it immediately and report it to the appropriate authorities.
- Familiarize yourself with the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- Do not exceed the recommended load capacity of the scope rings.
- Avoid using the product in extreme weather conditions that may compromise its integrity.
- Ensure that all screws are tightened securely before use to prevent any accidental dislodging.
- Use appropriate tools when installing the scope rings to avoid damaging the product.
- Be cautious of sharp edges during installation to prevent injury.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a screwdriver and any other required equipment.
- Ensure that the area is clean and free from obstructions.

### 2. Installation Steps

- Carefully place the scope tube into the rings.
- Align the rings with the base mount on your firearm.
- Securely tighten the screws on the ring caps using the screwdriver. Ensure that they are evenly tightened to maintain balance.
- Insert the unique recoil key and clamp as instructed to enhance holding strength.
- Doublecheck all fittings to ensure that everything is securely in place.

### 3. Usage Tips

- Regularly check the scope rings for tightness and stability, especially after heavy use or transport.
- If you experience any issues with alignment or stability, consult the installation instructions or contact support for assistance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent accidents.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAXIMA Horizontal Rings, please refer to the EUbased contact point provided with your product packaging or visit the manufacturer's website for assistance.

Thank you for your attention to these safety instructions. Enjoy your experience with the MAXIMA Horizontal Rings, and always prioritize safety in your use of this product.
