VAPOR RINGS WARNE MFG. COMPANY Safety Instruction Guide

Introduction

Thank you for choosing the VAPOR RINGS by WARNE MFG. COMPANY. Our Vapor™ line of mounts is designed to provide a strong and economical mounting solution for your scopes. This guide outlines essential safety instructions to ensure the safe use of your product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure proper handling and installation of the product to prevent accidents.
- Always follow the instructions provided in this guide to avoid potential hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Inspect the rings before use for any signs of damage or wear.
- Do not exceed the recommended weight limit for your scope.
- Ensure that the rings are securely mounted to prevent slippage during use.
- Use appropriate tools when installing the rings to avoid injury.
- Avoid using the product in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools (screwdriver, torque wrench) and ensure you have a clean workspace.
- Verify that you have the correct size and type of rings for your scope (30mm diameter).

2. Installation Steps:

- Place the scope into the rings, ensuring it is properly aligned.
- Position the rings on the Picatinny rail of your firearm.
- Tighten the screws on the rings gradually, alternating between screws to ensure even pressure.
- Use a torque wrench to tighten screws to the manufacturer's recommended torque settings.

3. Usage Tips:

- Regularly check the tightness of the rings during use, especially after extended shooting sessions.
- Avoid overtightening, as this may damage the scope or rings.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and metal waste.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For safety inquiries or further assistance regarding the VAPOR RINGS, please refer to the contact information provided with your product packaging or on the manufacturer's website.

By following these guidelines, you can ensure the safe and effective use of your VAPOR RINGS. Thank you for your attention to safety!
