Safety Instruction Guide

Introduction

Thank you for choosing the VAPOR RINGS 30MM HIGH MATTE BLACK RINGS. This guide provides essential safety instructions and information to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a mounting solution for scopes.
- Always inspect the product for any damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limit for the mounted scope.
- Ensure that the mounting surface is clean and free from debris before installation.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Use appropriate safety gear, such as gloves and goggles, during installation.
- Handle the product with care to prevent injury from sharp edges.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver and any specified mounting hardware.
- Ensure you have a clean workspace free from distractions.

2. Installation Steps

- Locate the Picatinny rail on your firearm.
- Align the Vapor Rings with the Picatinny rail, ensuring that the rings fit securely.
- Use the provided screws to attach the rings to the rail. Tighten screws evenly to ensure a secure fit.
- Check that the scope is level and properly aligned before tightening the rings fully.

3. Usage Instructions

- After installation, perform a function check to ensure the scope is securely mounted.
- Regularly inspect the mount for tightness and stability, especially after heavy use or transportation.
- Always follow the manufacturer's instructions for the scope you are using with the rings.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for designated recycling facilities or programs in your area.
