

SUPER HIGH 1.9" 30MM MSR MOUNT - WARNE MFG. COMPANY 30MM SUPER HIGH (1.90") 0 MOA MOUNT, DARK EARTH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Warne Scope Mounts is excited to introduce their second generation SKEL mount, the X-SKEL. This new MSR mount offers an additional 1" of forward cantilever, and 1 piece clamp design for added strength. The rugged, lightweight design of the X-SKEL maintains our famous Return to Zero capability, and utilizes ½" hex nuts for rock solid attachment. It features a skeletonized ring body and caps for reduced weight and steel threaded cap inserts for maximum durability. The X-SKEL places your optic 1.9" Super High height with a generous cantilever for proper eye relief, it will easily accommodate the longer eyepieces found on many of today's scopes. Lightweight, skeletonized aluminum body and caps to reduce overall weight without sacrificing reliability. #8 Torx style fasteners with steel threaded inserts to prevent stripping. Additional 1 Inch cantilever forward design to provide additional eye relief. Places your optic 1.9" Super High height for MSR and similar platforms. 1/2" tactical nut attachment, 65 in/lb. of torque is recommended.

Safety Instruction Guide for SUPER HIGH 1.9" 30MM MSR MOUNT

Introduction

Thank you for choosing the SUPER HIGH 1.9" 30MM MSR MOUNT by Warne MFG. Company. This product is designed to provide a reliable and secure mounting solution for your optics. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, usage, installation, and disposal.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the mount for any signs of wear or damage.
- Do not exceed the recommended torque specifications during installation.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or damage, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Always verify that the mount is securely attached to the firearm before use.
- Confirm that the optic is properly mounted and adjusted for eye relief.
- Avoid using the mount in extreme conditions that may compromise its integrity.
- Do not modify the mount or use it with incompatible optics.
- Ensure that the mount is compatible with your firearm's specifications.

Instructions for Installation and Usage

Installation Steps

1. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Select the Mounting Position:** Choose a suitable location on the Picatinny rail for the mount.
3. **Attach the Mount:**
 - Place the mount on the chosen position.
 - Use the #8 Torx style fasteners to secure the mount.
 - Tighten to a torque of 65 in/lb as recommended.
4. **Mount the Optic:**
 - Place the optic in the mount's ring body.
 - Adjust the position for optimal eye relief.
 - Secure the optic using the provided caps and fasteners.

Usage Guidelines

- Always check the mount and optic for secure attachment before each use.
- Adjust your optic as needed for proper alignment and eye relief.
- Store the firearm and mount in a safe and dry location when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the mount in household waste.
- Check with local authorities for recycling options specific to metal and aluminum products.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SUPER HIGH 1.9" 30MM MSR MOUNT, please reach out to the designated EU contact point provided by the manufacturer. Ensure that you have the product details ready for efficient assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe use and longevity of your SUPER HIGH 1.9" 30MM MSR MOUNT. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for your attention to these important safety measures.
