Safety Instruction Guide for GEN 2 Stripped Lower Receiver for AR15

Introduction

Thank you for choosing the GEN 2 Stripped Lower Receiver for AR15 by Aero Precision. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this document carefully to understand how to use and maintain your lower receiver safely.

General Safety Guidelines

- Ensure that all firearms are handled with care and stored securely.
- Always treat every firearm as if it is loaded.
- Use protective eyewear and hearing protection when handling firearms.
- Follow all local laws and regulations regarding firearm assembly and usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the lower receiver for signs of damage or wear.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the GEN 2 Stripped Lower Receiver is compatible with your upper receiver and other AR15 components.
- **Installation:** Follow manufacturer instructions for installing the lower receiver to avoid improper assembly.
- **Tensioning Screw:** Use the nylon-tipped tensioning set screw properly to ensure a secure fit between the upper and lower receiver.
- **Magwell Flare:** Be cautious while inserting magazines to prevent jamming or misfeeds.
- **Weight Consideration:** Be aware of the weight of the lower receiver (8.35 oz) when assembling your firearm for balance and handling.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for assembly.
- Ensure you are in a safe and controlled environment.

2. Installation Steps:

- Align the lower receiver with the upper receiver.
- Insert the nylon-tipped tensioning set screw into the grip tang of the lower receiver. Tighten until snug but do not overtighten.
- Install the pivot and takedown pins into their respective holes (.250" / 6.3mm).
- Ensure that all components are properly seated and secured.

3. Post-Installation Check:

- Conduct a function check to ensure the assembly operates correctly.
- Verify that the magazine inserts smoothly and locks into place.

4. Usage:

- Always follow safe handling practices when using your firearm.

- Regularly clean and maintain your receiver according to manufacturer recommendations.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the lower receiver in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information provided with your purchase. Always ensure that you are following the latest safety guidelines and regulations.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and use of your GEN 2 Stripped Lower Receiver for AR15.
