# **Safety Instruction Guide for TOP MOUNT BASES**

## **#68#604 #416M BASE**

### **Introduction**

Thank you for choosing the TOP MOUNT BASES #68#604 #416M BASE. This guide provides essential safety instructions to ensure the proper and safe use of your new rifle bases. It is important to read and understand these instructions before installation and usage.

### **General Safety Guidelines**

- Always ensure that the firearm is unloaded before installing or adjusting the base.
- Inspect the base for any damage before use. Do not use if damaged.
- Keep the product away from children and unauthorized users.
- Follow all applicable laws and regulations regarding firearm accessories in your area.
- Use the base only for its intended purpose, which is to mount optics on rifles and compatible firearms.
- Regularly check the tightness of screws and fittings to ensure secure attachment.

### **Specific Safety Precautions for Use**

- Ensure that the base is compatible with your firearm model. Refer to the product specifications for compatibility.
- Do not exceed the recommended weight limit for optics mounted on the base.
- Avoid using the base in extreme conditions that may compromise its integrity.
- Do not modify the base. Alterations can lead to failure and may result in injury.
- Be aware of the potential for recoil when using your firearm, which can affect the stability of mounted optics.

### **Instructions for Installation and Usage**

#### **1. Preparation**

- Gather all necessary tools, including a screwdriver and any specific tools recommended by the manufacturer.
- Ensure your work area is clean and free of distractions.

#### **2. Installation Steps**

- Remove any existing bases or mounts from your firearm.
- Align the TOP MOUNT BASE with the mounting holes on your rifle. Ensure it fits securely.
- Insert screws into the mounting holes and tighten them evenly to avoid misalignment. Do not overtighten, as this may strip the screws.
- If using a base pair set, repeat the above steps for the rear base.
- Once both bases are installed, check for stability by gently applying pressure to the mounted optics.

#### **3. Usage**

- When aiming and firing, maintain a firm grip on your firearm.
- Regularly check the stability of the mounted optics before each use.
- If you notice any movement or instability, stop using the firearm and inspect the base and mounts.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling programs in your area that accept aluminum materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the TOP MOUNT BASES #68#604 #416M BASE, please refer to the manufacturer's contact information provided with your product or visit their official website for additional resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new rifle bases. Thank you for your attention to these important guidelines.
