SHOTGUN FIRE SIGHT SETS WINCHESTER 1300

FIRE SIGHTS Safety Instruction Guide

Introduction

Thank you for choosing the Winchester 1300 Fire Sights. This guide provides essential safety instructions and information to ensure the safe and effective use of your new sight set. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms responsibly and in a safe manner.
- Keep the sight set out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that your shotgun is unloaded when installing or adjusting the sight.
- Avoid using the sight in conditions where visibility is severely impaired (e.g., fog, heavy rain, or darkness).
- Do not modify the sight set in any way, as this may compromise safety and performance.
- Use only approved cleaning materials to maintain the sight.
- If you experience any issues with sight alignment or visibility, discontinue use and consult a professional.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Shotgun:** Ensure the shotgun is unloaded and in a safe position.
2. **Remove Existing Sights:** If applicable, carefully remove the existing front and rear sights from your shotgun.
3. **Attach the Rear Sight:**
 - Align the "U" notch fiber optic rear sight with the existing mounting holes.
 - Securely fasten the sight using the provided screws.
4. **Attach the Front Sight:**
 - Position the fluorescent red front bead on the sheared style blade.
 - Ensure it is aligned properly and secure it in place.
5. **Check Alignment:** Once both sights are installed, check for proper alignment and adjust as necessary.

Usage Instructions

- When aiming, ensure that the glowing red dot of the front sight is centered within the two glowing green dots of the rear sight for optimal accuracy.
- Adjust the sights as needed for windage and elevation to suit your shooting preferences.
- Regularly practice using the sights to become familiar with their functionality and to improve accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight set in regular household waste.

- Consider recycling options for the aluminum components when possible.

Contact Information for Further Support

For any questions regarding the installation, usage, or safety of the Winchester 1300 Fire Sights, please refer to the manufacturer's customer support resources.

Thank you for prioritizing safety and responsible firearm use. Enjoy your shooting experience with the Winchester 1300 Fire Sights!
