Safety Instruction Guide for MARLIN 336 WGRS Receiver Rear Sight

Introduction

Thank you for choosing the MARLIN 336 WGRS Receiver Rear Sight manufactured by Williams Gun Sight. This guide provides essential safety instructions and information to ensure the safe use of your new sight. Please read all sections carefully before installation and use.

General Safety Guidelines

- Ensure safe handling and use of the sight.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the sight out of reach of children and unauthorized users.
- Inspect the sight for any damage before installation and use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the sight with compatible firearms.
- Do not modify the sight or its components.
- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Avoid using the sight in adverse weather conditions that may affect visibility or functionality.
- Do not use the sight while under the influence of alcohol or drugs.

Instructions for Installation and Usage

1. Installation:

- Identify the dovetail or existing screw holes on the top of the receiver of your Marlin 336.
- Align the sight with the dovetail or screw holes.
- Secure the sight in place using the appropriate screws or by pressing it into the dovetail.
- Ensure the sight is firmly attached and does not move.

2. Adjustment:

- Use the adjustment screws to set the peep height as needed.
- The peep height is approximately the same as a 3/16" (4.8mm) Open Sight Blade.
- Make adjustments gradually and test for accuracy at the shooting range.

3. Usage:

- When aiming, ensure a clear line of sight through the peep.
- Maintain proper shooting stance and grip for stability.
- Always be aware of your surroundings and ensure a safe shooting environment.

Disposal Instructions

- Dispose of the sight and packaging materials in accordance with local regulations.
- If the sight is damaged or no longer in use, consider recycling materials where possible.
- Do not throw away any product components in regular household waste.

Contact Information for Further Support

For any inquiries or support regarding the MARLIN 336 WGRS Receiver Rear Sight, please refer to the manufacturer's contact information provided on the product packaging. Ensure you have the product details ready when reaching out.

By following these guidelines, you can ensure the safe and effective use of your MARLIN 336 WGRS Receiver Rear Sight. Thank you for your attention to safety and responsible firearm use.
