

RUGER® SEMI AUTO FIRE SIGHT FIBER OPTIC SIGHT SETS - WILLIAMS GUN SIGHT Ruger LC9 Sights

Direct replacements for factory sights on popular handguns gather ambient light for superb visibility. The more light, the brighter the rods glow. 3-dot sight picture; front sight has red insert, rear has two green inserts. The Fire Sights for guns originally equipped with fixed sights are also fixed. If the gun was originally equipped with an adjustable rear sight, the Fire Sight will be adjustable.

RUGER® SEMI AUTO FIRE SIGHT FIBER OPTIC SIGHT SETS WILLIAMS GUN SIGHT Ruger LC9 Sights Safety Instructions

Introduction

Thank you for choosing the RUGER® SEMI AUTO FIRE SIGHT FIBER OPTIC SIGHT SETS manufactured by WILLIAMS GUN SIGHT. This guide provides essential safety instructions to ensure the safe and effective use of your new sights. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Familiarize yourself with the specific laws and regulations regarding firearms in your area.
- Use eye and ear protection when shooting.
- Regularly inspect your firearm and sights for wear or damage.

Specific Safety Precautions for Use

- The Fire Sights are designed as direct replacements for factory sights. Ensure compatibility with your Ruger LC9 before installation.
- Do not attempt to modify or alter the sights in any way.
- Ensure that the sights are securely installed before using the firearm.
- Avoid using the firearm in adverse weather conditions that may affect visibility.
- If you experience any issues with the sights, discontinue use and seek professional assistance.

Instructions for Installation and Usage

Installation Steps

1. **Gather Tools:** You will need a small screwdriver set and possibly a sight pusher tool.
2. **Unload the Firearm:** Ensure that the firearm is completely unloaded before beginning the installation.
3. **Remove Old Sights:**
 - Use the appropriate screwdriver or sight pusher to carefully remove the existing sights.
 - Take care not to damage the sight dovetail or the firearm during removal.
4. **Install New Fire Sights:**
 - Align the new Fire Sight in the dovetail slot.
 - Gently tap the sight into place with a nonmarring tool or use a sight pusher to ensure proper alignment.
 - Repeat for the rear sight, ensuring it is level with the front sight.
5. **Check Alignment:** Confirm that the sights are aligned properly for accurate aiming.
6. **Secure the Sights:** Ensure that the sights are tightly secured and do not move when adjusted.

Usage Guidelines

- When using the firearm, ensure that you have a clear line of sight to your target.
- Adjust your stance and grip to maintain stability and accuracy.
- Practice regularly to become familiar with the new sight picture.
- Always clean and maintain your sights to ensure optimal performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the sights become damaged beyond repair, follow local guidelines for disposing of electronic or optical components.
- Do not dispose of firearms or firearm accessories in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the RUGER® SEMI AUTO FIRE SIGHT FIBER OPTIC SIGHT SETS, please contact the manufacturer or a qualified firearms expert. Always ensure that you have the latest safety information and guidelines.

Please remember to keep this safety instruction guide with your firearm and refer to it whenever necessary. Your safety and the safety of others is paramount. Thank you for prioritizing safe practices while using your Ruger LC9 sights.
