Safety Instruction Guide for RIFLE REAR SIGHT BLADE

Introduction

Thank you for choosing the RIFLE REAR SIGHT BLADE. This product is designed to enhance your shooting experience with precision and ease of use. However, it is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety information, installation instructions, and disposal guidelines to help you use the product responsibly.

General Safety Guidelines

- Always handle firearms with care and follow all safety regulations.
- Ensure that the firearm is unloaded before installing or adjusting the rear sight blade.
- Use the sight blade only with compatible universal rifles.
- Regularly inspect the sight blade for any signs of wear or damage before use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always wear protective eyewear when installing or adjusting the sight blade.
- **Proper Adjustment:** Make adjustments to the windage and elevation only when the firearm is pointed in a safe direction.
- **Secure Installation:** Ensure that the sight blade is securely fastened to prevent it from loosening during use.
- **Use Appropriate Tools:** Use the correct tools for installation and adjustment to avoid damaging the sight blade or firearm.
- **Follow Manufacturer Instructions:** Adhere to all instructions provided by the manufacturer for safe operation.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools, including a screwdriver.

2. Installation:

- Locate the dovetail slot on the rear of the rifle.
- Align the sight blade with the dovetail slot.
- Gently tap the sight blade into place using a soft mallet if necessary.
- Secure the sight blade by tightening the screw provided. Do not overtighten.

3. Adjustment:

- For windage adjustments, loosen the screw slightly and slide the blade left or right as needed. Retighten the screw.
- For elevation adjustments, follow the same process, adjusting the blade up or down as required.

4. Usage:

- Use the sight blade in conjunction with your rifle for aiming.
- Ensure that you are familiar with proper shooting techniques and safety practices.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling it at a designated facility.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact your local retailer. Always ensure you have the latest information regarding product safety and recalls.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RIFLE REAR SIGHT BLADE. Thank you for your attention to these important guidelines.
