

# RIFLE FIBER OPTIC 375N FRONT SIGHT - .375" FIBER OPTIC 375N FRONT SIGHT STEEL RED

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

Easy-to-install front sights for popular centerfire and muzzleloading rifles gather ambient light for superb visibility. The more light, the brighter the round, red beads glow; won't "wash out" even in the strongest sunlight. Narrow sights fit Williams Streamlined and Shorty Ramps.

# RIFLE FIBER OPTIC 375N FRONT SIGHT Safety Instructions

## Introduction

Thank you for choosing the RIFLE FIBER OPTIC 375N FRONT SIGHT. This product is designed for easy installation on popular centerfire and muzzleloading rifles, providing enhanced visibility in various lighting conditions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is installed by someone knowledgeable about firearm accessories.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Store the front sight in a safe, dry place when not in use.
- Regularly inspect the front sight for signs of wear or damage before each use.
- Be aware of your surroundings when using firearms equipped with this sight.

## Specific Safety Precautions for Use

- Do not use the front sight if it appears damaged or worn.
- Avoid exposing the front sight to extreme temperatures or harsh chemicals.
- Ensure that the sight is properly aligned before firing.
- Always wear appropriate eye protection when using firearms.
- Keep firearms pointed in a safe direction at all times.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including a screwdriver and any required mounting hardware.
- Ensure that the firearm is unloaded and safe to handle.

### 2. Installation:

- Locate the dovetail on your rifle where the sight will be mounted.
- Carefully slide the RIFLE FIBER OPTIC 375N FRONT SIGHT into the dovetail, ensuring it is positioned correctly.
- Use a screwdriver to tighten any screws or fasteners, securing the sight in place. Ensure it is snug but do not overtighten.

### 3. Usage:

- Once installed, check the alignment of the sight with the rifle's barrel.
- Adjust your aim as necessary to ensure the best visibility when aiming.
- Practice using the sight in a safe environment to become familiar with its function.

## Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If you have questions about proper disposal methods, consult local waste management authorities.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to the designated contact point in your region. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RIFLE FIBER OPTIC 375N FRONT SIGHT. Thank you for prioritizing safety in your shooting activities.
