

RIFLE FIBER OPTIC 406N FRONT SIGHT - .406" FIBER OPTIC 406N FRONT SIGHT STEEL RED

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

Easy-to-install front sights for popular centerfire and muzzleloading rifles gather ambient light for superb visibility. The more light, the brighter the round, red beads glow; won't "wash out" even in the strongest sunlight. Narrow sights fit Williams Streamlined and Shorty Ramps.

RIFLE FIBER OPTIC 406N FRONT SIGHT Safety Instructions

Introduction

Thank you for choosing the RIFLE FIBER OPTIC 406N FRONT SIGHT. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the front sight.
- Use the front sight only on compatible rifles as specified in the product description.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the front sight for any damage or wear before each use.
- Follow all local laws and regulations regarding firearm accessories and usage.

Specific Safety Precautions for Use

- Avoid using the sight in conditions that may impair visibility, such as extreme weather or low light.
- Do not attempt to modify the front sight or use it in a manner not intended by the manufacturer.
- Ensure that the sight is securely installed to prevent it from becoming loose during use.
- If you experience any issues with the front sight, discontinue use immediately and seek professional assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: screwdriver, cleaning cloth, and any additional tools recommended by the firearm manufacturer.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing front sight if applicable, following the manufacturer's instructions.
- Align the RIFLE FIBER OPTIC 406N FRONT SIGHT with the dovetail on the rifle.
- Securely fasten the sight into place, ensuring it fits snugly in the dovetail. The nominal fit is 3/8" dovetail.
- Check that the sight is level and properly aligned with the rear sight.

3. Usage:

- Familiarize yourself with the sighting process using the fiber optic feature.
- Practice aiming in a controlled environment before using the firearm in the field.
- Always wear appropriate eye protection when using firearms.

Disposal Instructions

- Dispose of the front sight according to local regulations regarding electronic waste and firearms accessories.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any risk of injury.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided on the packaging or product website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RIFLE FIBER OPTIC 406N FRONT SIGHT. Always prioritize safety and responsible usage when handling firearms and their accessories.
