# Safety Instruction Guide for 1911 SNAGFREE GOLD BEAD FRONT SIGHT

## Introduction

Thank you for choosing the 1911 SNAGFREE GOLD BEAD FRONT SIGHT from Wilson Combat. This product is designed to enhance your shooting experience by providing a lowprofile front sight with high visibility for fast target acquisition and consistent accuracy. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle firearms responsibly and with care.
- Ensure that the firearm is unloaded before installing or adjusting the front sight.
- Inspect the front sight for any visible damage before use.
- Follow all local laws and regulations regarding firearm use and modifications.
- Store firearms and accessories securely and out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use this front sight with compatible 1911 models: Government, Commander, and Officers.
- Ensure that the installation is performed by a qualified gunsmith or experienced individual to avoid improper fitting.
- Do not modify the front sight or the firearm in ways not recommended by the manufacturer.
- Be aware of your surroundings when using firearms and always ensure a safe shooting environment.
- Regularly check the front sight for any signs of wear or loosening, especially after extensive use.

## Instructions for Installation and Usage

### Installation

1. **Tools Required:** Ensure you have the necessary tools, including a punch tool and a hammer.
2. **Preparation:** Verify that the firearm is unloaded. Remove the slide from the frame of the 1911.
3. **Removing the Old Sight:**
  - Use the punch tool to gently tap out the existing front sight. Be cautious to avoid damaging the slide.
4. **Installing the New Sight:**
  - Align the dovetail of the new front sight with the dovetail cut on the slide.
  - Gently tap the new front sight into place using the punch tool. Ensure it is seated properly and securely.
5. **Final Check:** After installation, check that the sight is aligned and secure before reassembling the firearm.

### Usage

- Once installed, practice using the front sight in a controlled environment to become familiar with its visibility and alignment.
- Always maintain proper shooting stance and grip when using the firearm.
- Regularly practice safety measures, including keeping the firearm pointed in a safe direction and keeping your finger off the trigger until ready to shoot.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and according to local regulations.
- If the front sight becomes damaged or is no longer usable, follow local laws for the disposal of firearm accessories.
- Do not discard firearm parts in regular waste; consult local disposal guidelines for hazardous materials.

## **Contact Information for Further Support**
