

1911 10-ROUND ELITE TACTICAL MAGAZINES - WILSON COMBAT ETM 9MM 1911 MAGAZINE GEN 2, PACK OF 3

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

In the quest for flawless magazine function across a wide variety of custom and production handguns, Bill Wilson has redesigned the Elite Tactical 9mm 1911 magazines to feed more smoothly, seat easier and lock back positively in a wider spectrum of guns than ever before. The "Next Generation" ETM 9mm magazines have arrived and like other Wilson Combat Magazines will raise the bar for 1911 pistol reliability. After months of intensive research and testing by Bill Wilson in a myriad of custom and factory 9mm 1911's, Wilson Combat believes they have solved the issue of magazine reliability in a single stack 9mm 1911. These Next Gen ETM magazines have a redesigned tube with a small front ramp to prevent nose down feeding with short or hollow point rounds. A redesigned back spacer accommodates a wide variety of long-loaded ammunition and a stainless steel follower and extra power spring ensure slide lockback even in guns with marginal or incorrectly fitted slide stops. Bill Wilson himself has logged over 10,000 rounds of various factory and reloaded 9mm ammunition to develop these magazines which are suitable for competition or tactical use. Fits full size 9mm 1911 10 round capacity with numbered tube Easy to load and seat with the slide in battery Positive slide lock when empty Superb feeding with a wide range of ammunition types Steel follower for flawless slide lock-even with marginal pistols The Stainless Steel ETM has the Strongest Magazine Tube Yet Developed, Virtually Eliminating Feed Lip Cracking, Tube Spread and Cracking and General Fatigue Proprietary Multi-Step Tumbling and Finishing Process Provides Smooth Follower Operation and Insertion into the Weapon Observation Slots Moved to the Rear of the Tube, Located Exactly Where They Need to be to Maintain the Structural Integrity Removable Base Pad for Easy Maintenance and Versatility with Different Base Pad Options

Note: Some Kimber 1911 handguns have barrel feed ramps that are left undressed at the factory and will interfere with the ramped front of this magazine. The barrel can be easily modified by a gunsmith to provide the proper clearance required.

Attributes

Safety Instruction Guide for 1911 10ROUND ELITE TACTICAL MAGAZINES WILSON COMBAT ETM 9MM

Introduction

Thank you for choosing the Wilson Combat ETM 9mm 1911 magazine. This guide provides essential safety instructions to ensure the safe use and maintenance of your magazine. Please read this document carefully before use to understand the safety precautions and operational guidelines.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Inspect the magazine before each use to ensure it is free from damage or defects.
- Use only compatible firearms with the Wilson Combat ETM 9mm 1911 magazine.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before inserting or removing the magazine.
- Do not attempt to modify the magazine in any way, as this may compromise its safety and reliability.
- Avoid using damaged or worn magazines, as they may lead to malfunctions.
- When loading the magazine, do not exceed the specified capacity of 10 rounds.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe backstop when discharging a firearm.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Hold the magazine with the numbered tube facing upward.
- Insert rounds into the magazine, ensuring they are properly seated.
- Do not exceed the maximum capacity of 10 rounds.

2. Inserting the Magazine:

- With the firearm pointed in a safe direction, ensure the slide is in battery.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it locks in place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button to remove the magazine.
- Store the magazine in a safe location.

4. Cleaning and Maintenance:

- Regularly clean the magazine to ensure optimal performance.
- Use a soft cloth to wipe the exterior and inspect for any signs of wear.
- If necessary, use a mild solvent to clean the magazine tube and follower.
- Allow the magazine to dry completely before reloading.

Disposal Instructions

- Dispose of any damaged or worn magazines according to local regulations.
- Do not dispose of magazines in regular household waste.
- Check with local authorities for proper disposal methods for firearm accessories.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your Wilson Combat ETM 9mm 1911 magazine, please consult the manufacturer's website or contact their customer service for assistance.

By following these guidelines, you can ensure the safe and effective use of your Wilson Combat ETM 9mm 1911 magazine. Always prioritize safety and responsibility when handling firearms.
