# Safety Instruction Guide for WCP320 Grip Module for SIG SAUER P320 XCompact

## Introduction

Thank you for choosing the Wilson Combat WCP320 Grip Module for your SIG SAUER P320 XCompact. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the grip module is compatible with your specific model of SIG SAUER P320.
- Always handle firearms safely and responsibly, following standard safety practices.
- Keep the grip module and firearm out of reach of children and unauthorized users.
- Inspect the grip module regularly for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Compatibility:** The WCP320 Grip Module is not compatible with California versions of the SIG SAUER P320.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which may affect firearm performance and safety.
- **Manual Safety Option:** Ensure you select the correct safety option (manual safety or no manual safety) based on your preference and usage needs.
- **Grip Maintenance:** Regularly clean the grip module to maintain optimal traction and performance.
- **Usage Environment:** Use the grip module in appropriate environments to avoid exposure to extreme conditions that may affect its integrity.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as a screwdriver.

### 2. Installation Steps:

- Remove the existing grip module from your SIG SAUER P320 by unscrewing the screws.
- Align the WCP320 Grip Module with the firearm frame.
- Secure the grip module in place using the provided screws, ensuring a tight fit.
- Verify that the grip is firmly attached and does not shift when pulled.

### 3. Usage Instructions:

- Hold the firearm with a proper grip, ensuring your fingers are positioned correctly on the grip module.
- Practice shooting with the new grip to become accustomed to its feel and performance.
- Regularly check the grip module for any loose screws or signs of damage before use.

## **Disposal Instructions**

- Dispose of the grip module in accordance with local regulations.
- Do not dispose of the grip module in regular household waste.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the WCP320 Grip Module, please contact the manufacturer or refer to the product's official website for additional support and resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Wilson Combat WCP320 Grip Module for SIG SAUER P320 XCompact. Always prioritize safety and responsible handling of your firearm.
