

1911 SHOK-BUFFS® - SHOK-BUFFS® PAK

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Softens The Blow Of Recoil; Helps Prevent Frame Damage

Prevents expensive frame damage when shooting high-pressure, major power factor loads. Replaceable, poly-fiber washer installs behind the recoil spring on any length guide rod. The shock absorbing action stops the slide from battering the frame. Injection molded for the optimum balance between shock absorption and longevity. Replace every 1,000 rounds.

1911 SHOKBUFFS® PAK Safety Instruction Guide

Introduction

Thank you for choosing the 1911 SHOKBUFFS® PAK. This product is designed to enhance the performance of your firearm by preventing damage to the frame during highpressure shooting. It is crucial to follow the safety instructions outlined in this guide to ensure safe and effective use.

General Safety Guidelines

- Always handle firearms with care and in accordance with standard safety practices.
- Ensure that you are familiar with the operation of your firearm before using SHOKBUFFS®.
- Use only compatible firearms with the SHOKBUFFS® as specified in this guide.
- Keep SHOKBUFFS® out of reach of children and unauthorized users.
- Regularly inspect SHOKBUFFS® for wear and replace them every 1,000 rounds to maintain effectiveness.

Specific Safety Precautions for Use

- **Compatibility:** The SHOKBUFFS® are not suitable for use in Officer's ACP Models. Ensure your firearm is compatible before installation.
- **Installation:** Follow the installation instructions carefully to avoid improper use, which may lead to accidents or firearm damage.
- **Inspection:** Regularly check the SHOKBUFFS® for signs of wear or damage. If they appear worn or damaged, replace them immediately.
- **Shooting Practices:** Use appropriate ammunition that is compatible with your firearm and the SHOKBUFFS®.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the recoil spring from the guide rod.
- Install the SHOKBUFFS® behind the recoil spring on any length guide rod.
- Reassemble the firearm, ensuring all parts are securely in place.

2. Usage:

- After installation, the SHOKBUFFS® will absorb shock and prevent the slide from battering the frame during shooting.
- Monitor the performance of the SHOKBUFFS® during use and be aware of any changes in the firearm's operation.

Disposal Instructions

- Dispose of used SHOKBUFFS® in accordance with local regulations for plastic waste.
- Do not dispose of SHOKBUFFS® in general waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Conclusion

By following these safety instructions, you can ensure the effective use of the 1911 SHOKBUFFS® PAK while maintaining a safe shooting environment. Always prioritize safety and stay informed about best practices for firearm maintenance and use.
