

1911 RECOIL SPRING GUIDE - 1-PIECE GOVERNMENT ROD

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Eliminate Spring Kink & Bind; One-& Two-Piece Styles

With a full-length guide rod in place giving no chance for recoil spring bind, a 1911 will chamber, cycle and extract more reliably. One-piece style available for Government/Gold Cup and Commander; Two-piece for Government/Gold Cup in both standard full-length and long slide for pistols equipped with partial or full-style compensators. Reverse Plug model fits Govt. length slides altered to accept tapered sleeve bushing. These are for standard recoil springs only, not Flat Wire Springs.

1911 Recoil Spring Guide 1Piece Government Rod Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Recoil Spring Guide 1Piece Government Rod. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your product functions safely and effectively.

General Safety Guidelines

- Ensure safe use of this product by following all instructions carefully.
- Be aware of potential hazards associated with the use of recoil spring guide rods.
- Always check for product recalls or safety alerts on the EU's Safety Gate platform.
- If you are unsure about any aspect of this product, consult a qualified gunsmith or firearm expert.
- This product is not intended for use by individuals under the legal age for firearm ownership in your jurisdiction.

Specific Safety Precautions for Use

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before installing or adjusting the recoil spring guide rod.
- Use only standard recoil springs with this guide rod; do not use Flat Wire Springs.
- Inspect the recoil spring guide rod for any signs of damage or wear before each use.
- If you experience any malfunctions while using your firearm, cease operation immediately and seek professional assistance.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and any other required equipment.

2. Installation

- Remove the existing recoil spring guide rod from the firearm.
- Carefully insert the new 1911 Recoil Spring Guide 1Piece Government Rod into the recoil spring housing.
- Ensure that the rod is securely in place and that the correct plug is included.

3. Usage

- After installation, check that the recoil spring is properly seated on the guide rod.
- Perform a function check to ensure the firearm operates smoothly.
- Regularly inspect the guide rod and recoil spring for proper function and wear.

4. Maintenance

- Clean the recoil spring guide rod regularly to ensure optimal performance.
- Store the firearm in a safe, dry place when not in use.

Disposal Instructions

- Dispose of this product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in general household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the 1911 Recoil Spring Guide 1Piece Government Rod, please consult a qualified firearms professional or your local dealer.

By following these guidelines, you can ensure the safe and effective use of your 1911 Recoil Spring Guide 1Piece Government Rod. Thank you for your attention to safety.
