# Safety Instruction Guide for 1911 HEX HEAD GRIP SCREWS WILSON COMBAT 24 PACK H/H BLUE SCREWS

## Introduction

Thank you for purchasing the 1911 HEX HEAD GRIP SCREWS by Wilson Combat. This guide provides essential safety instructions to ensure the safe use and installation of these grip screws. By following these guidelines, you can help prevent accidents and ensure the longevity of your product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grip screws for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear safety glasses when installing or removing grip screws to protect your eyes from debris.
- Use the provided Allen wrench to prevent stripping the screw heads.
- Do not overtighten the screws as this may damage the grips or the screws themselves.
- Ensure that the grip screws are compatible with your specific model (Government, Commander, Officers) to avoid compatibility issues.
- Avoid using the screws on firearms that have not been properly maintained or are in disrepair.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including the Allen wrench provided with the product.
- Ensure that the firearm is unloaded and in a safe condition before beginning installation.

### 2. Installation Steps

- Align the grip screw with the hole in the grip panel.
- Insert the grip screw into the hole and handtighten it to ensure proper fit.
- Using the Allen wrench, tighten the screw until it is flush with the grip panel. Avoid overtightening.
- Repeat the process for all grip screws, ensuring that each is securely fastened.

### 3. Removal Steps

- Use the Allen wrench to loosen the grip screw by turning it counterclockwise.
- Carefully remove the screw from the grip panel.
- Store removed screws in a safe place for future use.

## Disposal Instructions

- Dispose of any damaged or worn grip screws in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any questions regarding the safety or usage of the 1911 HEX HEAD GRIP SCREWS, please refer to the manufacturer's website or customer service resources for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your Wilson Combat grip screws. Thank you for your attention to safety!
