Safety Instruction Guide for COLT COMMANDER .45 ACP SPRING KIT WILSON COMBAT #324 "C"

Introduction

Thank you for choosing the COLT COMMANDER .45 ACP SPRING KIT by WILSON COMBAT. This highquality spring kit is designed to enhance the performance of your handgun. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and respect.
- Ensure that you are familiar with the operation of your firearm before using this product.
- Follow all local laws and regulations regarding the use and modification of firearms.
- Keep all components out of reach of children and unauthorized individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or replacing any components.
- Wear safety glasses to protect your eyes during installation.
- Use only the specified springs for your Colt Commander .45 ACP to avoid malfunctions.
- Be aware of the differences between Reduced Power (RP) and Extra Power (XP) springs:
 - RP springs are designed for lighter hammer pull.
 - XP springs provide a stronger force, suitable for specific performance needs.
- Do not exceed the recommended specifications when using this spring kit.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation (e.g., screwdriver, punch).
- Work in a clean, welllit area free from distractions.

2. Installation Steps:

- **Remove the Magazine:** Ensure the firearm is completely unloaded.
- **Disassemble the Firearm:** Follow the manufacturer's instructions for disassembly.
- **Remove Existing Springs:**
 - Carefully take out the existing hammer spring, firing pin spring, and recoil springs.
- **Install New Springs:**
 - Install the RP 19 lb. hammer spring in place of the old hammer spring.
 - Replace the firing pin spring with the XP firing pin spring.
 - Install the RP 12 lb. and XP 20 lb. recoil springs as specified in your firearm's manual.
- **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble the firearm.
- **Function Check:** Perform a function check to ensure that the firearm operates correctly with the new springs.

3. Usage Guidelines:

- After installation, test the firearm in a safe environment to ensure proper functionality.
- Regularly inspect the springs for wear and replace as necessary.

- Store the firearm and accessories securely when not in use.

Disposal Instructions

- Dispose of any old springs and packaging materials in accordance with local regulations.
- Do not dispose of springs in a manner that may pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries or concerns regarding the COLT COMMANDER .45 ACP SPRING KIT, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on proper handling and usage of firearm components.
