# Safety Instruction Guide for #349 Ruger SP101 Spring Kit

## Introduction

Thank you for choosing the #349 Ruger SP101 Spring Kit by Wilson Combat. This highquality spring kit is designed to enhance the performance of your Ruger SP101 handgun. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety protocols.
- Store the spring kit in a cool, dry place away from children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Be aware of local laws and regulations regarding firearm modifications.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to firearm malfunction.
  - Springs under tension can cause injury if handled incorrectly.
- **Avoiding Hazards:**
  - Always ensure the firearm is unloaded before performing any modifications.
  - Wear safety glasses when handling springs to protect your eyes.
  - Keep fingers and body parts clear of the spring area when installing or removing springs.
- **Age Restrictions:**
  - This product is intended for use by individuals 18 years and older. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the magazine is removed.
- Gather necessary tools, including a screwdriver and pliers.

### 2. Installation Steps:

- Remove the grip and any components necessary to access the hammer and trigger assembly.
- Carefully remove the existing hammer and trigger return springs.
- Install the new RP 10 or 12 lb hammer springs as specified for your model.
- Replace the RP trigger return spring, ensuring it is seated properly.
- Reassemble the firearm components and grip.

### 3. PostInstallation Check:

- After installation, conduct a function check to ensure the firearm operates correctly.
- Test the trigger pull and hammer function without ammunition present.

## **Disposal Instructions**

- Dispose of any old springs and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of springs in a manner that could pose a hazard to others.

## **Contact Information for Further Support**

For any inquiries regarding the #349 Ruger SP101 Spring Kit, please refer to the manufacturer's contact information provided on the packaging or visit the official website.

By following these safety instructions, you can ensure the safe use of the #349 Ruger SP101 Spring Kit. Thank you for prioritizing safety and performance in your firearm modifications.
