Safety Instruction Guide for BROWNING HIPOWER EXTRA POWER MAGAZINE SPRINGS +10% POWER SPRING, 3PAK

Introduction

Thank you for choosing the Browning HiPower Extra Power Magazine Springs. This guide provides essential safety information and instructions for the safe use and installation of this product. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Ensure that this product is used only for its intended purpose as specified in the product description.
- Always handle the magazine springs with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for signs of wear or damage before use. Do not use damaged springs.
- If you experience any issues or accidents while using this product, report them to the appropriate authorities.
- Stay informed about any recalls or safety updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with Browning HiPower models compatible with 9mm and .40 S&W.
- Avoid using the magazine springs in extreme temperatures or humid environments.
- Do not attempt to modify or alter the magazine springs in any way.
- Always ensure that the magazine is properly seated in the firearm before use.
- Be aware of the increased power of these springs, which may affect the feeding of ammunition. Practice proper firearm safety at all times.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, including a flathead screwdriver.

2. Installation:

- Remove the magazine from the firearm.
- Disassemble the magazine according to the manufacturer's instructions.
- Carefully remove the old magazine spring.
- Install the new Browning HiPower Extra Power Magazine Spring by placing it in the magazine body.
- Reassemble the magazine, ensuring all components are securely fitted.

3. Usage:

- Load the magazine with ammunition as per the manufacturer's recommendations.
- Insert the magazine into the firearm and ensure it is locked in place.
- Conduct a function check to ensure proper operation before use.

4. PostUse:

- After use, remove the magazine and unload the firearm.
- Store the magazine springs in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of old or damaged magazine springs in accordance with local regulations.
- Do not dispose of springs in regular household waste. Check for local recycling programs for metal components.

Contact Information for Further Support

For any inquiries related to safety or product issues, please refer to the contact information provided by the retailer or manufacturer. Ensure you have the product details available for any support requests.

By following these safety guidelines and instructions, you can ensure safe and effective use of the Browning HiPower Extra Power Magazine Springs. Thank you for your attention to safety and compliance.
