Safety Instruction Guide for SAVAGE ARMS 99 STOCK FIXED OEM

Introduction

Thank you for choosing the SAVAGE ARMS 99 STOCK FIXED OEM. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your new product. Please read this document thoroughly before using the stock.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (Savage Arms 99).
- Always handle firearms with care and follow all applicable laws and regulations.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage.
- If you notice any defects or abnormalities, discontinue use immediately and seek professional assistance.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the stock if it is damaged or improperly fitted to your firearm.
- Avoid exposing the stock to extreme temperatures or moisture, as this may affect the wood quality.
- When installing or adjusting the stock, ensure that your firearm is unloaded.
- Use protective gear, such as gloves and safety glasses, when handling tools for installation.
- Be cautious of sharp edges on the stock and tools during installation.

Instructions for Installation and Usage

1. Preparation

- Ensure that you have the necessary tools for installation (e.g., screwdrivers, wrenches).
- Verify that your firearm is unloaded and in a safe condition.

2. Installation Steps

- Remove the old stock from your Savage Arms 99 by loosening screws and carefully detaching it from the action.
- Align the new SAVAGE ARMS 99 STOCK FIXED OEM with the action.
- Insert screws and tighten them securely, ensuring the stock is firmly attached.
- Check for any wobbling or loose fittings and adjust as necessary.

3. PostInstallation Check

- Once installed, perform a visual inspection to ensure that everything is secure.
- Test the functionality of the firearm to ensure proper operation with the new stock.

Disposal Instructions

- Dispose of any old or damaged stocks in accordance with local regulations.
- If the stock is made of wood, consider recycling options or donating it to a local organization that accepts such materials.
- Ensure that any remaining parts or accessories are disposed of safely to prevent harm.
