# BOG Adrenaline Switcheroo Tripod Safety Instructions

## Introduction

Thank you for choosing the BOG Adrenaline Switcheroo Tripod. This product is designed to enhance your hunting experience by providing stability and versatility in various environments. To ensure safe use and enjoyment of your tripod, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect the tripod for any damage or wear before use.
- Ensure that all components are securely fastened before using the tripod.
- Use the tripod only for its intended purpose as described in this manual.
- Keep the tripod away from children and vulnerable individuals when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for any recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Stability:** Always set up the tripod on stable ground. Avoid using it on uneven or slippery surfaces.
- **Load Capacity:** Do not exceed the maximum load capacity of the tripod. Refer to the product specifications for details.
- **Weather Conditions:** Avoid using the tripod in extreme weather conditions, such as high winds or heavy rain, which may compromise stability.
- **Retractable Foot Spikes:** Ensure that the foot spikes are properly retracted when not in use to prevent tripping hazards.
- **Optics Accessories:** When changing optics accessories using the Switcheroo system, ensure that the tripod is securely positioned to avoid accidents.

## Instructions for Installation and Usage

- **Setting Up the Tripod:**

1. Unfold the tripod legs and ensure they are fully extended.
2. Adjust the height of the tripod by loosening the lever leg locks and setting to the desired height. Tighten the locks securely.
3. If applicable, extend the retractable metal foot spikes for added stability on soft ground.

- **Using the Switcheroo System:**

1. Ensure the tripod is stable and securely positioned.
2. To attach an optics accessory, align it with the mounting plate and secure it in place according to the product instructions.
3. To switch between accessories, release the locking mechanism, remove the current accessory, and attach the new one securely.

- **Dismantling the Tripod:**

1. Remove any attached optics accessories.
2. Collapse the tripod legs by loosening the lever leg locks.
3. Retract the foot spikes if extended.
4. Store the tripod in a dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the tripod in accordance with local regulations for electronic waste.
- Do not dispose of the tripod in regular household waste.
- If the tripod is damaged beyond repair, consider recycling the materials where possible.
