Caldwell Orange Bullseye Orange Peel 4" Bullseye Safety Instructions

Introduction

Thank you for choosing the Caldwell Orange Bullseye Orange Peel Targets. These targets are designed to enhance your shooting experience by providing clear visual feedback on your shots. Please read this safety instruction guide carefully to ensure safe and effective use of this product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that you are in a safe shooting environment with a proper backstop.
- Keep the shooting area clear of unauthorized individuals, especially children.
- Inspect the target for any damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only in designated shooting ranges or safe outdoor areas.
- Wear appropriate eye and ear protection while shooting.
- Do not use targets that show signs of damage or wear.
- Ensure that the target is securely mounted and stable.
- Avoid shooting at targets from an unsafe distance.
- Do not attempt to modify or alter the targets in any way.

Instructions for Installation and Usage

1. Installation:

- Choose a secure and stable location for mounting the target.
- Use appropriate mounting equipment (e.g., target stands, clips) to ensure the target is securely held in place.
- Ensure the target is visible from your shooting position.

2. Usage:

- Position yourself at a safe distance from the target, as per your shooting skill level and local guidelines.
- Aim carefully and take your shot.
- After shooting, inspect the target to assess your hits. The dualcolor flakeoff technology will highlight your shots.
- If you miss the bullseye, check the surrounding area for where the bullet may have strayed.

Disposal Instructions

- Dispose of used targets in accordance with local waste disposal regulations.
- Do not burn the targets as they may contain materials that are harmful when incinerated.
- Recycle the target materials where possible, following local recycling guidelines.
