Caldwell Orange Bullseye Orange Peel 8" Bullseye Safety Instructions

Introduction

Thank you for choosing the Caldwell Orange Bullseye Orange Peel Targets. These targets are designed to enhance your shooting experience by making it easy to see where your shots land. To ensure your safety and the safety of others while using this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the shooting area is safe and secure, free from bystanders or obstacles.
- Always use targets that are suitable for the type of shooting you are doing.
- Follow all local laws and regulations regarding shooting and target practice.
- Use appropriate personal protective equipment (PPE), including eye and ear protection.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety alerts through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always inspect the target before use for any signs of damage or wear.
- Ensure that the target is securely mounted to prevent it from falling or being dislodged during use.
- Avoid using the target in adverse weather conditions that could impair visibility or safety.
- Use only ammunition that is compatible with your shooting equipment.
- Do not shoot at the target from an unsafe distance; maintain a safe shooting distance as recommended by local guidelines.
- Be aware of your surroundings and ensure that the shooting direction is clear of people, animals, and property.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location for mounting the target, ensuring it is at a safe distance from the shooting position.
- Use appropriate mounting materials (e.g., stakes, clips) to secure the target in place.
- Ensure the target is stable and will not fall or move during use.

2. Usage:

- Position yourself in a safe shooting stance, ensuring that your firearm is pointed downrange.
- Aim carefully at the target, taking note of the bullseye for accurate shooting.
- After shooting, check the target to see where your shots have landed. The dualcolor flakeoff technology will help you identify hits clearly.
- If any shots miss the target, take note of the direction of the miss to improve your aim in future attempts.

Disposal Instructions

- Dispose of used targets in accordance with local waste disposal regulations.
- Do not burn or incinerate the targets, as this may release harmful substances.
- If the targets are damaged or no longer usable, ensure they are discarded safely to prevent injury.
