Caldwell Orange Bullseye Orange Peel 12" Bullseye Targets Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell Orange Bullseye Orange Peel Targets. These innovative targets are designed to enhance your shooting experience by providing clear visibility of hits. This safety instruction guide outlines important information to ensure safe and effective use of the product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the target is used in a safe shooting environment, away from people and property.
- Always use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe backdrop when using the targets.
- Store targets in a cool, dry place away from direct sunlight and moisture.
- Dispose of any damaged or defective targets immediately to prevent misuse.

Specific Safety Precautions for Use

- Only use the targets in designated shooting areas or ranges.
- Do not use the targets for any purpose other than intended.
- Keep targets out of reach of children and pets.
- If using the targets outdoors, ensure they are securely fastened to prevent them from being blown away or moved.
- Check targets regularly for wear and tear, and replace them when necessary.

Instructions for Installation and Usage

1. Installation:

- Choose a flat surface or target stand to mount your Caldwell Orange Peel Targets.
- Ensure that the targets are positioned at a safe distance from the shooter and any bystanders.
- Securely fasten the target using tape, clips, or other appropriate means to prevent it from falling.

2. Usage:

- Before shooting, confirm that the shooting area is clear and safe.
- Aim at the target and fire your shots. The dualcolor flakeoff technology will allow you to see your hits clearly.
- If you miss the bullseye, the Orange Peel Targets will show you where your shot landed.
- After shooting, assess the damage to the target and replace it if necessary.

Disposal Instructions

- Dispose of used or damaged targets in accordance with local waste disposal regulations.
- Do not burn the targets as they may release harmful substances.
- Recycle packaging materials where possible.
