## Bullseye Safety Instruction Guide

### Introduction

Thank you for choosing the Caldwell Orange Bullseye Orange Peel Targets. These targets are designed to enhance your shooting experience by clearly displaying hits with their dualcolor flakeoff technology. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Always use targets in a safe shooting environment, away from people and property.
- Ensure that all participants are aware of shooting safety rules and practices.
- Use appropriate firearms and ammunition as specified by local laws and regulations.
- Regularly inspect targets for wear or damage before use.
- Store targets in a cool, dry place away from direct sunlight and moisture.

### Specific Safety Precautions for Use

- Ensure that targets are securely attached to a stable backing before shooting.
- Do not shoot at targets that are damaged or have been previously shot.
- Maintain a safe distance from the target area during shooting.
- Wear appropriate eye and ear protection while shooting.
- Do not attempt to retrieve bullets or fragments from the target area immediately after shooting.
- Supervise children and vulnerable individuals at all times when using targets.

### Instructions for Installation and Usage

#### Installation

- Select a safe location for target setup, ensuring a clear line of sight for the shooter.
- Securely attach the target to a stable backing, such as a wooden board or metal frame. Ensure that the backing is strong enough to withstand bullet impacts.
- Ensure that the target is positioned at an appropriate height and distance for the shooter.

#### Usage

- Check the target for any damage before each use.
- Use only the recommended firearms and ammunition for shooting.
- Aim carefully at the target, ensuring that the shooting area is clear of obstructions and people.
- After shooting, inspect the target to see the hit locations clearly. The dualcolor technology will indicate where bullets have struck.
- Dispose of used targets responsibly, following local regulations.

### Disposal Instructions

- Dispose of used targets in accordance with local waste disposal regulations.
- Recycle materials whenever possible, following guidelines for paper and plastic recycling.
- Do not burn targets, as they may contain materials that can release harmful substances when incinerated.

## **Contact Information for Further Support**
