## Bullseye: Safety Instruction Guide

### Introduction

Thank you for choosing the Caldwell Orange Bullseye Orange Peel Targets. These targets are designed to enhance your shooting experience by providing clear visibility of your shots. This safety instruction guide outlines important safety information, usage guidelines, and disposal instructions to ensure a safe and enjoyable experience.

### General Safety Guidelines

- Ensure that the targets are used in a safe shooting environment, away from populated areas.
- Always follow local laws and regulations regarding the use of firearms and shooting targets.
- Inspect the targets for any damage before use. Do not use if the target is damaged.
- Keep targets out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that your shooting area is secure and that no one is downrange before firing.
- Do not use the targets in adverse weather conditions, such as high winds or rain, which may affect visibility and safety.
- Be aware of your surroundings and ensure that your shooting activities do not pose a risk to others.
- Use only appropriate ammunition for your firearm to avoid ricochets and other hazards.

### Instructions for Installation and Usage

- **Installation:**
  - Select a suitable location for your target, ensuring it is securely mounted and stable.
  - Attach the target to a flat surface or target stand using adhesive or clips, ensuring it is visible and accessible.
- **Usage:**
  - When ready to shoot, ensure that the area is clear of people and obstacles.
  - Aim carefully at the target, and take your shot.
  - After firing, check the target to see where your shots have landed. The dualcolor flakeoff technology will help you quickly identify hits.
  - If using multiple targets, ensure that they are spaced adequately to avoid confusion during shooting.

### Disposal Instructions

- Dispose of used targets in accordance with local waste disposal regulations.
- Do not burn the targets, as they may contain materials that could be harmful when incinerated.
- If the targets are damaged, ensure that they are disposed of safely to prevent any hazards.
