

# Resetting Target - Airgun Resetting Target

[Shooting Accessories](#) > [Targets & Accessories](#) > [Steel Targets](#)

Caldwell® Resetting Targets are easily portable and create an interactive shooting experience that makes plinking and target practice fun. Made of heavy duty steel, these targets are built to last. All of our resetting targets come packaged in sturdy, partial clamshells. Holes are punched in the clamshells for hanging the product on the peg hooks. The rimfire and handgun models are reinforced with zip ties to ensure the heavy product is secured inside.

# Caldwell Resetting Target Safety Instructions

## Introduction

Thank you for purchasing the Caldwell® Resetting Target. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always treat every airgun as if it were loaded.
- Ensure a safe shooting environment, free from obstacles and bystanders.
- Use eye protection and hearing protection while shooting.
- Ensure that all participants are aware of safety procedures.
- Follow local laws and regulations regarding airgun use.
- Regularly inspect the target for damage before use.
- Store the target in a safe place when not in use.

## Specific Safety Precautions for Use

- Only use the Caldwell Resetting Target with airguns suitable for its design.
- Ensure that the target is placed at a safe distance from the shooter, as per the manufacturer's recommendations.
- Do not use the target in high winds or adverse weather conditions.
- Avoid shooting at the target with projectiles that exceed the recommended caliber.
- Do not attempt to reset the target while it is in use.
- Keep all body parts clear of the target area when shooting.

## Instructions for Installation and Usage

### 1. Unpack the Product:

- Carefully remove the Caldwell Resetting Target from its packaging.
- Check for any visible damage or missing parts.

### 2. Installation:

- Choose a suitable location for the target that is flat and stable.
- Ensure the target is securely mounted using the holes provided in the clamshell.
- Use peg hooks or other suitable hanging methods to secure the target in place.

### 3. Usage:

- Before shooting, ensure that the area is clear of people and animals.
- Stand at a safe distance as recommended in the product specifications.
- Load your airgun and aim at the target.
- Shoot the target and observe its resetting mechanism.

### 4. PostUse:

- After use, inspect the target for any damage.
- Store the target in a dry and safe location to prevent rust and deterioration.

## **Disposal Instructions**

- Dispose of the Caldwell Resetting Target in accordance with local regulations.
- If the target is damaged beyond repair, consider recycling the metal components where possible.
- Do not dispose of the product in regular household waste unless permitted by local laws.

## **Contact Information for Further Support**

For any questions or concerns regarding the Caldwell Resetting Target, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for following these safety instructions. Enjoy your shooting experience while prioritizing safety!
