Frankford Arsenal QuicknEZ Case Tumbler Safety Instruction Guide

Introduction

Thank you for choosing the Frankford Arsenal® QuickNEZ™ Case Tumbler Kit. This product is designed to provide an efficient and economical means to clean brass cases. To ensure safe and effective usage, please read and follow these safety instructions carefully. Your safety and satisfaction are our top priorities.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Ensure the product is used in a wellventilated area to avoid inhalation of dust or fumes.
- Avoid using the tumbler with any materials not specified by the manufacturer, such as foreign media or chemicals.
- Do not overload the tumbler beyond its capacity (600 9mm or 350 .223 cases).
- Use protective gear such as gloves and safety glasses when handling cleaning media and brass cases.

Specific Safety Precautions for Use

- Do not operate the tumbler without the lid securely in place.
- Avoid contact with moving parts while the tumbler is in operation.
- Do not use the tumbler near flammable materials or liquids.
- Ensure the power cord is in good condition and avoid using extension cords.
- Disconnect the tumbler from the power supply before cleaning or maintenance.
- Regularly check for any signs of wear or malfunction in the tumbler and its components.
- Follow the recommended usage guidelines for the cleaning media to prevent any adverse reactions.

Instructions for Installation and Usage

1. Unboxing the Kit:

- Carefully remove the QuickNEZ Case Tumbler, Rotary Media Separator, Brass Polish, Cleaning Media, and plastic bucket from the packaging.
- Inspect all components for damage or missing parts.

2. Setting Up the Tumbler:

- Place the tumbler on a flat, stable surface away from any edge.
- Ensure the area is wellventilated.

3. Loading the Tumbler:

- Add the appropriate amount of brass cases (up to 600 9mm or 350 .223).
- Add the recommended cleaning media (walnut or corn cob) and a small amount of brass polish (0.11 L).
- Do not exceed the maximum capacity to ensure effective cleaning.

4. Operating the Tumbler:

- Secure the lid tightly.

- Plug the tumbler into a suitable power outlet.
- Turn on the tumbler and allow it to operate for the recommended time (refer to the product manual for specific timings).
- Monitor the operation and do not leave the tumbler unattended.

5. After Use:

- Once the cleaning cycle is complete, turn off the tumbler and unplug it from the power supply.
- Allow the tumbler to cool down before opening.
- Use the Rotary Media Separator to efficiently separate the cleaned brass from the media.
- Dispose of used media according to local regulations.

Disposal Instructions

- Dispose of the cleaning media and any used materials in accordance with local waste disposal regulations.
- Do not dispose of the tumbler in regular household waste. Check local guidelines for electronic waste disposal.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Frankford Arsenal QuickNEZ Case Tumbler Kit, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

Thank you for your attention to these safety instructions. Enjoy using your Frankford Arsenal QuickNEZ Case Tumbler Kit safely and effectively!
