Frankford Arsenal QuicknEZ Rotary Sifter Safety Instructions

Introduction

Thank you for choosing the Frankford Arsenal QuicknEZ Rotary Sifter Kit with Bucket. This product is designed to help you efficiently separate and sift materials. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe conditions or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the QuickNEZ™ Rotary Separator is securely attached to the plastic bucket before use.
- Do not overload the bucket beyond its specified capacity to prevent spills and accidents.
- Always use the provided bucket supports to stabilize the setup during operation.
- Be cautious of sharp edges when assembling or disassembling the product.
- Avoid using the product in wet conditions to prevent slipping or electrical hazards if applicable.
- Wear appropriate personal protective equipment, such as gloves and safety goggles, when using the sifter.

Instructions for Installation and Usage

Installation

1. Assemble the Rotary Separator:

- Remove all components from the packaging.
- Attach the QuickNEZ™ Rotary Separator to the plastic bucket by aligning the connectors.
- Ensure that the separator is securely fastened to prevent detachment during use.

2. Attach Bucket Supports:

- Position the two bucket supports on opposite sides of the bucket.
- Ensure that the supports are firmly in place to provide stability.

3. Install Splash Fins:

- Attach the two splash fins to the rotary separator as per the instructions provided in the manual.
- Ensure they are securely fastened to avoid any spillage during operation.

Usage

1. Prepare Materials:

- Gather the materials you wish to sift and ensure they are dry and free from large debris.

- Do not exceed the recommended load capacity of the bucket.

2. Sifting Process:

- Place the bucket on a stable, flat surface.
- Begin the rotary motion by turning the handle of the QuickNEZ™ Rotary Separator.
- Monitor the sifting process to ensure materials are being separated effectively.

3. PostUse:

- Once sifting is complete, carefully remove the rotary separator from the bucket.
- Dispose of any waste materials as per local regulations.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or support regarding the Frankford Arsenal QuicknEZ Rotary Sifter Kit, please refer to the product packaging for contact information or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your Frankford Arsenal QuicknEZ Rotary Sifter Kit. Thank you for your attention to safety!
