Frankford Arsenal QuicknEZ Rotary Sifter Safety Instructions

Introduction

Thank you for choosing the Frankford Arsenal QuicknEZ Rotary Sifter Kit without Bucket. This product is designed to help you efficiently separate and sift materials. To ensure safe and effective use of the sifter, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the manual.
- Keep the sifter out of reach of children and vulnerable individuals to prevent accidents.
- Always inspect the sifter before use for any signs of damage or wear. Do not use if damaged.
- Use the sifter in a wellventilated area to avoid inhalation of dust or small particles.
- Follow all local regulations regarding the use and disposal of materials processed with the sifter.
- In case of an accident or injury, seek medical attention immediately.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including gloves and safety goggles, while using the sifter.
- Do not attempt to use the sifter with materials that are not recommended for this product.
- Ensure that the sifter is placed on a stable, flat surface to prevent tipping or sliding during operation.
- Do not overload the sifter beyond its capacity, as this may lead to malfunction or injury.
- Avoid direct contact with moving parts during operation to prevent injury.
- Keep hands, hair, and loose clothing away from the sifter while it is in use.

Instructions for Installation and Usage

1. Unboxing the Product

- Carefully remove the QuickNEZ™ Rotary Separator, bucket supports, and splash fins from the packaging.
- Check that all components are included and undamaged.

2. Setting Up the Sifter

- Assemble the bucket supports according to the instructions provided.
- Attach the splash fins to the rotary separator as indicated in the manual.
- Position the rotary separator securely on a stable surface.

3. Using the Sifter

- Place the material to be sifted into the rotary separator.
- Ensure that the separator is securely closed before operation.
- Turn on the rotary separator and allow it to operate for the recommended time.
- Once finished, turn off the separator and carefully remove the sifted material.

4. Cleaning and Maintenance

- Disconnect the sifter from any power source before cleaning.
- Clean the rotary separator with a damp cloth and mild detergent. Avoid using abrasive materials.

- Store the sifter in a dry place when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste regulations.
- If the product is no longer in use, consider recycling components where possible.
- Do not dispose of the sifter in general waste if it is damaged; check local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the Frankford Arsenal QuicknEZ Rotary Sifter, please refer to the manufacturer's contact information provided with the product packaging. Always ensure that you have the latest safety and recall information.

Thank you for your attention to these safety instructions. By following these guidelines, you can enjoy a safer and more efficient experience with your Frankford Arsenal QuicknEZ Rotary Sifter.
