

Brass Cleaning Media - Treated Walnut Hull Media 5 lbs. In reuseable plastic container

[Reloading](#) > [Case Cleaning](#) > [Case Tumblers & Accessories](#)

Walnut cleans better than corn. Corn polishes better than walnut. Treated media has brass polish already added.

Frankford Arsenal Brass Cleaning Media Safety Instruction Guide

Introduction

Thank you for choosing Frankford Arsenal Brass Cleaning Media Treated Walnut Hull Media. This product is designed to effectively clean brass casings and enhance your reloading experience. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
 - This product is not intended for food use.
 - Keep the product out of reach of children and pets.
 - Always use in a wellventilated area to avoid inhalation of dust.
 - Do not ingest the media or use it for any purpose other than its intended use.
- In case of any accidents or unsafe conditions:
 - Report unsafe products to the relevant authorities.
 - Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the treated walnut hull media:
 - Wear appropriate personal protective equipment (PPE), such as gloves and a dust mask, to minimize exposure to dust.
 - Avoid direct contact with skin and eyes. In case of contact, rinse thoroughly with water.
 - Do not use the media if you notice any signs of damage to the container or if the media appears contaminated.
 - Store the product in a cool, dry place away from direct sunlight.

Instructions for Installation and Usage

- To use the Frankford Arsenal Brass Cleaning Media:
 1. **Preparation:** Ensure your case tumbler is clean and free from any previous media.
 2. **Loading:** Open the reusable plastic container and pour the walnut hull media into the case tumbler until it reaches the recommended fill line.
 3. **Adding Brass:** Add your brass casings to the tumbler, ensuring they are evenly distributed among the media.
 4. **Operation:** Close the tumbler lid securely. Set the timer according to the manufacturer's instructions for optimal cleaning time.
 5. **Completion:** Once the cleaning cycle is complete, turn off the tumbler and carefully open the lid. Allow the media to cool before handling.
 6. **Separation:** Use a sieve or media separator to remove the brass casings from the walnut hull media. Dispose of any debris as necessary.

Disposal Instructions

- Dispose of used walnut hull media responsibly:
 - Follow local regulations for disposal of nonhazardous waste.
 - Do not dispose of in water sources or natural habitats.

- If the media becomes heavily contaminated or no longer effective, replace it with fresh media.

Contact Information for Further Support

For any questions or concerns regarding the safe use of this product, please contact the manufacturer's customer support or refer to the product packaging for further details.

Thank you for your attention to these safety guidelines. Enjoy your reloading experience with Frankford Arsenal Brass Cleaning Media!
