# Frankford Arsenal Stainless Steel Media Transfer Magnet Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal Stainless Steel Media Transfer Magnet. This product is designed to simplify the handling of stainless steel media pins used with the Platinum Series Rotary Tumbler. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children to prevent accidents.
- Regularly inspect the product for any signs of wear or damage.
- Do not use the magnet for purposes other than intended.
- If you notice any malfunction or unusual behavior, discontinue use immediately and contact support.

## Specific Safety Precautions for Use

- Always handle the Media Transfer Magnet with dry hands to maintain a secure grip.
- Avoid using the magnet near electronic devices or sensitive equipment, as strong magnets can cause interference.
- Be cautious when releasing the media pins to prevent them from scattering, which can pose a tripping hazard.
- Do not attempt to modify or disassemble the magnet, as this can lead to injury or malfunction.
- Store the magnet in a safe location when not in use to prevent accidental activation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the work area is clean and free of obstructions.
- Gather all necessary materials, including your stainless steel media pins and the Platinum Series Rotary Tumbler.

### 2. Using the Media Transfer Magnet:

- Hold the Media Transfer Magnet by the handle.
- Position the magnet over the stainless steel media pins you wish to collect.
- Allow the magnet to attract the pins, ensuring a secure hold.
- To release the pins, simply pull the handle away from the magnet in a controlled manner.
- Repeat the process as needed for efficient pin transfer.

### 3. PostUse Care:

- After use, store the magnet in a safe, dry place.
- Clean the magnet with a soft cloth if necessary, avoiding any abrasive materials.

## Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the magnet in regular household waste.
- If the product is no longer functional, consider recycling it if possible.

## Contact Information for Further Support

For any safety inquiries, product recalls, or additional support, please refer to the manufacturer's official contact points. Always check for the latest updates regarding product safety on the EU's Safety Gate platform.

Thank you for prioritizing safety while using the Frankford Arsenal Stainless Steel Media Transfer Magnet. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
