

# Platinum Series Handheld Depriming Tool

[Reloading](#) > [Priming Tools](#) > [Hand Tools](#)

The Frankford Arsenal® Platinum Series Hand Deprimer is made of robust die cast aluminum and features our (patent pending) Universal Collet System. In just 4 easy steps you can deprime your spent brass by hand. No need to set up your press and reset your dies to deprime a few cases. This system is fully contained. It even captures the spent primers in a collection tube so you can dump them later. Our Universal Collet System can handle brass from .20 cal all the way up to .338 Lapua. This deprimer can even deprime pistol brass, and military crimped primers are easily removed.

# Frankford Arsenal Platinum Series Handheld Depriming Tool Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal® Platinum Series Handheld Depriming Tool. This manual provides essential safety instructions and guidelines to ensure the safe and effective use of your deprimer. Please read this guide carefully before use to ensure your safety and the safety of others.

## General Safety Guidelines

- Always follow the manufacturer's instructions and recommendations for safe use.
- Ensure that the deprimer is used in a wellventilated area to avoid inhaling any dust or debris.
- Keep the tool out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the tool.
- Regularly inspect the tool for any signs of wear or damage before use.
- If the tool is damaged or malfunctions, cease use immediately and contact a qualified professional for repair.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of injury from sharp edges or moving parts.
- Potential for eye injury from debris or primers.
- Risk of inhalation of dust or particles during operation.

### • To Avoid Hazards:

- Always handle spent brass and primers with care.
- Do not attempt to deprime live ammunition or any material that is not intended for this tool.
- Ensure your hands and the work area are clean and free from any obstructions before starting.
- Never place your face or body in front of the tool while it is in operation.
- Store the tool in a safe location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure the tool is clean and free from any debris before use.
- Check that the Universal Collet System is properly installed and functioning.

### 2. Using the Deprimer:

- Place the spent brass case into the Universal Collet System.
- Hold the tool securely with one hand while operating it with the other.
- Follow these steps to deprime:
  1. Insert the brass case into the collet.
  2. Squeeze the handle to engage the depriming pin.
  3. Release the handle to remove the spent primer.
  4. Repeat for additional cases as needed.
- After use, ensure that all spent primers are collected in the collection tube.

### **3. PostUse Care:**

- Clean the tool after each use to prevent buildup of brass shavings or debris.
- Store the tool in a dry place away from moisture.

## **Disposal Instructions**

- Dispose of spent primers and brass cases according to local regulations.
- Do not dispose of the tool in regular household waste. Check with local waste management for proper disposal methods.
- If the tool is no longer functional, consider recycling components where possible.

## **Contact Information for Further Support**

For safety inquiries, product support, or to report unsafe products, please contact your local authorities or visit the EU Safety Gate platform for updates on recalls and safety alerts.

Thank you for your attention to these safety instructions. Your careful adherence to these guidelines will help ensure a safe and effective experience with your Frankford Arsenal Platinum Series Handheld Depriming Tool.
