Frankford Arsenal Platinum Series Primer Pocket Swager Safety Instruction Guide

Introduction

Thank you for choosing the Frankford Arsenal Platinum Series Primer Pocket Swager. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your swager. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- Always use the swager in a wellventilated area to avoid inhaling any dust or debris.
- Keep the work area clean and free from clutter to prevent accidents.
- Ensure that the swager is securely clamped or mounted to a stable workbench before use.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against potential hazards.
- Do not use the swager for any purpose other than its intended use.
- Keep children and pets away from the work area while using the swager.
- Regularly inspect the swager for any signs of wear or damage. Do not use if damaged.

Specific Safety Precautions for Use

- Before using the swager, familiarize yourself with its components and operation.
- Always use the correct size case holders as specified in the product instructions.
- Ensure that cases are clean and free from any obstructions before inserting them into the swager.
- Do not force cases into the swager; if resistance is felt, check for obstructions.
- Do not attempt to swage cases that are not compatible with the swager.
- Avoid placing hands or fingers near moving parts during operation.
- If you experience any difficulty or malfunction, stop using the swager immediately and consult the troubleshooting section of the manual.

Instructions for Installation and Usage

Installation

1. Choose a suitable location on your workbench that allows for easy access and movement.
2. If using a cclamp, position the swager securely on the edge of the workbench and tighten the clamp to hold it in place.
3. If permanently mounting, use appropriate screws and anchors to secure the swager to the workbench.

Usage

1. Select the appropriate case holder (large or small) for the cases you will be using.
2. Insert the case into the holder and ensure it is seated properly.
3. Position the holder into the swager and align it according to the product instructions.
4. Swing out the access arm, insert the case, and press down to swage.
5. Once swaging is complete, swing the access arm back and remove the swaged case.
6. Repeat the process for additional cases as needed.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the swager is no longer functional or needed, check with local waste management for proper disposal.

methods.

- Do not dispose of the swager in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Frankford Arsenal Platinum Series Primer Pocket Swager, please refer to the manufacturer's website or customer service for support.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Frankford Arsenal Platinum Series Primer Pocket Swager. Always prioritize safety and consult the manual for any additional questions or concerns. Thank you for your attention to safety.
