# Frankford Arsenal HingeTop Ammo Box Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal HingeTop Ammo Box. This product is designed to safely store ammunition, including calibers such as .480 Ruger, .475 Linebaugh, and .50 Action Express. Please read and follow these safety instructions carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the ammo box is used solely for its intended purpose of storing ammunition.
- Keep the ammo box out of reach of children and vulnerable individuals.
- Regularly inspect the ammo box for any signs of damage or wear.
- Do not use the ammo box if it is cracked, broken, or damaged in any way.
- Always store ammunition in a cool, dry place away from direct sunlight and heat sources.
- Be aware of local regulations regarding ammunition storage and handling.

## Specific Safety Precautions for Use

- **Mechanical Hinge:** The mechanical plastic hinge provides great strength. Ensure the hinge is functioning properly before use.
- **Labeling:** You can place a 1" x 2 5/8" printer I.D. label on the lid. Ensure the label is securely attached and does not obstruct the opening mechanism.
- **Stacking:** The ammo boxes are designed to be easily stackable. Ensure that they are stacked securely to prevent tipping.
- **Cold Weather Use:** The true mechanical hinge allows the ammo box to open flat and resists breaking in colder weather. However, avoid exposing the box to extreme temperatures for prolonged periods.
- **Handling:** Always handle the ammo box with care to prevent dropping or mishandling, which may cause damage.

## Instructions for Installation and Usage

### 1. Opening the Ammo Box:

- Locate the mechanical hinge on the back of the box.
- Gently pull the lid upwards until it opens fully.

### 2. Loading Ammunition:

- Ensure the ammo box is clean and dry before loading.
- Place ammunition in the box, ensuring it is seated properly and not overcrowded.
- Close the lid securely after loading to prevent any accidental opening.

### 3. Stacking the Ammo Boxes:

- When stacking, ensure that the boxes are aligned properly.
- Do not stack more than three boxes high to maintain stability.

### 4. Transporting the Ammo Box:

- When transporting, ensure the lid is securely closed.

- Carry the box with both hands to prevent dropping.

## **Disposal Instructions**

- Dispose of any damaged ammo boxes according to local regulations.
- If the box is no longer usable, consider recycling the plastic material where facilities are available.
- Do not dispose of ammunition in regular waste. Follow local guidelines for safe ammunition disposal.

## **Contact Information for Further Support**

For safety inquiries or assistance regarding the Frankford Arsenal HingeTop Ammo Box, please refer to the contact information provided with your product or visit the official website for support resources.

Thank you for following these safety instructions. Your safety and the safety of others are our top priority. Enjoy using your Frankford Arsenal HingeTop Ammo Box responsibly.
