# Frankford Arsenal HingeTop Ammo Box Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal HingeTop Ammo Box. This product is designed to provide a secure and efficient way to store your ammunition. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the ammo box is used solely for its intended purpose: storing ammunition.
- Always handle ammunition with care, following standard safety protocols.
- Keep the ammo box out of reach of children and unauthorized users.
- Regularly inspect the ammo box for any signs of damage or wear that may compromise its integrity.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Mechanical Hinge:** The mechanical plastic hinge is designed for strength. Do not force the lid open or closed, as this may damage the hinge.
- **Labeling:** When placing a printer I.D. label on the lid, ensure it does not obstruct the opening mechanism.
- **Stacking:** Ensure the boxes are stacked securely to prevent them from falling. Do not exceed recommended stacking limits.
- **Temperature Sensitivity:** The ammo box is designed to resist breaking in colder weather; however, avoid exposing it to extreme temperatures for prolonged periods.
- **Vulnerable Groups:** Keep the ammo box out of reach of children and individuals who may not understand the potential hazards of ammunition storage.

## Instructions for Installation and Usage

1. **Placement:** Choose a dry, cool location for storing the ammo box. Ensure it is on a stable surface.
2. **Loading Ammunition:**
  - Open the lid by gently lifting it using the mechanical hinge.
  - Place ammunition inside the box, ensuring that it is organized and does not exceed the recommended capacity.
  - Close the lid securely after loading to protect the contents.
3. **Stacking:** If stacking multiple boxes, ensure they are aligned correctly and securely placed on top of one another.
4. **Labeling:** Use a 1" x 2 5/8" printer I.D. label for identification. Ensure the label is affixed to the lid without obstructing the opening mechanism.
5. **Transporting:** When transporting the ammo box, ensure it is securely closed and held upright to prevent spillage.

## Disposal Instructions

- Dispose of the ammo box in accordance with local waste management regulations.
- If the box becomes damaged or is no longer usable, consider recycling if facilities are available.
- Do not burn the ammo box as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding the product, please consult the retailer where the ammo box was purchased or refer to the manufacturer's website for support resources.

By following these safety instructions, you can ensure the safe and effective use of the Frankford Arsenal HingeTop Ammo Box. Thank you for your attention to safety.
