# Frankford Arsenal MPress Coaxial Reloading Press Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal MPress Coaxial Reloading Press. This guide provides essential safety instructions to ensure the safe and effective use of your reloading press. By following these guidelines, you can minimize risks and enjoy a safe reloading experience.

## General Safety Guidelines

- Always read and understand the user manual before using the reloading press.
- Keep the reloading area clean and organized to avoid accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Ensure that the workspace is wellventilated.
- Store all reloading materials and equipment out of reach of children and pets.
- Never leave the reloading press unattended while in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted to a stable work surface.
- Do not overload the press beyond its intended capacity.
- Use only compatible reloading dies and accessories as specified in the manual.
- Always doublecheck that the shellholder plate is properly adjusted before starting.
- Handle all materials with care to avoid spills or accidents.
- Be aware of the potential hazards associated with the materials you are using.
- Do not use the press for any purpose other than reloading ammunition.
- If you experience any malfunction, stop using the press immediately and consult the manual for troubleshooting.

## Instructions for Installation and Usage

### 1. Installation

- Choose a stable and level work surface for installation.
- Securely mount the reloading press using the provided hardware.
- Ensure that the press is positioned to allow easy access to all components.
- Install the LED light as per the instructions to illuminate the work area.

### 2. Setup

- Adjust the integral "floating" shellholder plate system according to the size of the cases you will be using.
- Install the standard 7/8"14 reloading die securely into the press.
- Place the spentprimer catcher in its designated position to collect spent primers.

### 3. Usage

- Load the appropriate cases into the shell holder.
- Follow the reloading process as outlined in the user manual.
- Monitor the reloading process closely to ensure safety and accuracy.

- After reloading, inspect all ammunition for defects before storage.

## **Disposal Instructions**

- Dispose of any unused or expired reloading materials according to local regulations.
- Recycle packaging materials when possible.
- Ensure that all hazardous materials are disposed of in a safe and responsible manner.

## **Contact Information for Further Support**

For any inquiries or support regarding the Frankford Arsenal MPress Coaxial Reloading Press, please refer to the manufacturer's contact information provided in the user manual.

By adhering to these safety instructions, you can ensure a safe and enjoyable reloading experience with your Frankford Arsenal MPress Coaxial Reloading Press. Thank you for your attention to safety.
