

# Ultra Gun Vise

[Gun Cleaning & Chemicals](#) > [Gun Cleaning Cradles](#)

The Tipton® Ultra Gun Vise features a completely modular interchangeable design to allow virtually any shape firearm or crossbow to be cleaned and worked on with ease. The ball and socket articulating clamp pads allow for the pads to adapt to any surface. The dual clamp technology rigidly holds any firearm shape in place, while the rigid steel tube frame structure allows for complete access to your firearm or crossbow. The front and rear clamps are both height and length adjustable, and feature fast-turn knobs allowing for quick clamping. The solvent resistant accessory and tool trays are movable and removable to stand up to even the toughest jobs.

# Tipton Ultra Gun Vise Safety Instructions

## Introduction

Thank you for choosing the Tipton Ultra Gun Vise. This product is designed to provide a safe and effective way to clean and work on firearms and crossbows. Please read this safety instruction guide carefully to ensure proper use and to maximize safety while using this product.

## General Safety Guidelines

- Always inspect the Tipton Ultra Gun Vise before use to ensure it is in good working condition.
- Use the product only for its intended purpose, which is to hold firearms and crossbows securely during cleaning and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding the handling and cleaning of firearms and crossbows.
- In case of an emergency or accident, contact local authorities immediately.

## Specific Safety Precautions for Use

- Ensure that the firearm or crossbow is completely unloaded before placing it in the vise.
- Do not use the vise while the firearm or crossbow is still loaded or if there is any ammunition present.
- Avoid placing your hands or any body parts near the clamping mechanism while adjusting the vise.
- Be cautious when handling solvents or cleaning agents; ensure proper ventilation and avoid contact with skin and eyes.
- Do not exceed the weight limit of the vise, as stated in the product specifications.
- Regularly check the condition of the clamps and pads for wear and tear. Replace if necessary.

## Instructions for Installation and Usage

### 1. Setup:

- Place the Tipton Ultra Gun Vise on a stable, flat surface.
- Ensure that the area is welllit and free from clutter.

### 2. Adjusting the Clamps:

- Use the fastturn knobs to adjust the height and length of the front and rear clamps to fit your specific firearm or crossbow.
- Position the clamps around the firearm securely, ensuring a snug fit.

### 3. Securing the Firearm:

- Once the clamps are properly positioned, tighten the knobs to secure the firearm or crossbow in place.
- Doublecheck that the clamps are holding the firearm securely before proceeding with any cleaning or maintenance tasks.

### 4. Cleaning and Maintenance:

- Follow the manufacturer's guidelines for cleaning your specific firearm or crossbow.
- Use the movable and removable accessory and tool trays to keep cleaning supplies organized and within reach.

### 5. After Use:

- Once you have completed your cleaning or maintenance, carefully release the clamps and remove the firearm or crossbow from the vise.
- Store the Tipton Ultra Gun Vise in a safe, dry place when not in use.
