# Tipton Solid Brass Jag Safety Instructions

## Introduction

Thank you for choosing the Tipton Solid Brass Jag for your cleaning needs. This product is designed specifically for cleaning .20 caliber firearms. It is important to read and understand these safety instructions to ensure safe and effective use.

## General Safety Guidelines

- Always use the Tipton Solid Brass Jag in accordance with the manufacturer's instructions.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the cleaning jag.
- Keep the cleaning jag out of reach of children and vulnerable individuals.
- Regularly inspect the jag for any signs of wear or damage before each use.
- If you notice any defects or issues, do not use the jag and contact the manufacturer for assistance.
- Follow local laws and regulations regarding the cleaning and maintenance of firearms.

## Specific Safety Precautions for Use

- **Caliber Specificity:** Use only with .20 caliber firearms to ensure proper fit and function.
- **Tight Fit:** Ensure that the jag fits tightly between the cleaning patch and the bore to prevent any accidents.
- **Pointed Tip Caution:** The pointed tip is designed to keep the patch centered; handle with care to avoid injury.
- **Thread Compatibility:** The jag has 832 threads; do not attempt to attach it to incompatible equipment.
- **Supervision:** If children are present, ensure that they are supervised at all times during the cleaning process.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is in a safe and stable position.
- Confirm that the firearm is unloaded and the safety is engaged.

### 2. Attaching the Jag:

- Select a cleaning patch that is appropriate for .20 caliber firearms.
- Attach the cleaning patch to the pointed tip of the jag securely.
- Ensure the jag is properly screwed onto the cleaning rod with the 832 threads.

### 3. Using the Jag:

- Insert the jag into the bore of the firearm gently.
- Move the cleaning rod back and forth to clean the bore effectively.
- Do not apply excessive force to avoid damaging the bore or the jag.

### 4. PostCleaning:

- Remove the jag from the bore carefully.
- Dispose of used cleaning patches according to local regulations.
- Clean the jag with a suitable solvent and store it in a safe place.

## Disposal Instructions

- Dispose of any used cleaning patches and materials in accordance with local waste disposal regulations.
- Do not dispose of the jag in regular household waste. Follow local guidelines for disposing of metal products.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information included with your product packaging. Always ensure you have the latest safety updates and product information.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Solid Brass Jag. Thank you for prioritizing safety!
