# Tipton Solid Brass Jag Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Solid Brass Jag for your cleaning needs. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read the entire guide carefully before using the product.

## General Safety Guidelines

- Always handle the cleaning jags with care to avoid injury.
- Ensure that the jags are used in accordance with the specific caliber they are designed for.
- Keep the jags out of reach of children and vulnerable individuals.
- Inspect the jags for any damage or wear before each use. Do not use if damaged.
- Use the jags in a wellventilated area to avoid inhaling any cleaning chemicals.
- Follow all manufacturer instructions and recommendations for cleaning and maintenance.

## Specific Safety Precautions for Use

- Use only the appropriate caliberspecific jag for your firearm to ensure a proper fit.
- Avoid using excessive force when inserting or removing the jag from the bore to prevent damage.
- Always ensure the firearm is unloaded before cleaning.
- Never point the jag at yourself or others during use.
- Wear safety glasses to protect your eyes from potential debris or cleaning solvents.
- Store the jags in a safe and dry location to prevent corrosion or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded and in a safe condition.
- Gather your cleaning supplies, including patches and cleaning solvent.

### 2. Attaching the Jag:

- Select the appropriate caliberspecific jag.
- Screw the jag onto the cleaning rod, ensuring a secure fit with the 832 threads.
- For .17 and .20 Cal Jags, ensure they are securely attached using the 540 thread.

### 3. Using the Jag:

- Insert a cleaning patch through the jag's pointed tip, ensuring it is centered.
- Apply the recommended cleaning solvent to the patch.
- Carefully insert the jag into the bore, moving it back and forth gently to clean.
- After use, remove the jag from the bore and clean it according to the manufacturer's instructions.

### 4. PostUsage:

- Clean the jag with a suitable solvent and dry thoroughly before storing.
- Store the jag in a protective case or designated area to avoid damage.

## Disposal Instructions

- Dispose of any used cleaning patches and solvents according to local regulations.

- Do not dispose of the jags in regular household waste if they are damaged; check with local disposal services for hazardous waste guidelines.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the Tipton Solid Brass Jag, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning experience with your Tipton Solid Brass Jag. Thank you for prioritizing safety and proper usage.
