Tipton Rifle Bronze Bore Brush Safety Instruction Guide

Introduction

Thank you for choosing the Tipton Rifle Bronze Bore Brush. This product is designed to assist you in maintaining your firearm safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the bore brush is used solely for its intended purpose—cleaning firearm barrels.
- Always handle firearms in a safe manner and follow all local laws and regulations regarding firearm ownership and maintenance.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Inspect the bore brushes before each use for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or incidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Use protective eyewear when cleaning firearms to protect against debris that may be dislodged during the cleaning process.
- Avoid using excessive force when inserting or removing the bore brush from the barrel to prevent damage to the firearm.
- Do not use the bore brush on firearms that are loaded; always ensure the firearm is unloaded before cleaning.
- Follow the manufacturer's instructions for the specific cleaning procedures for your firearm caliber.
- Store the bore brushes in a cool, dry place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including cleaning solvent and a cleaning rod if applicable.

2. Using the Bore Brush:

- Attach the bore brush to the cleaning rod if applicable.
- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the firearm's barrel from the breech end (if applicable) or muzzle end, depending on the firearm design.
- Gently push the bore brush through the barrel, using a smooth backandforth motion. Avoid excessive force.
- Remove the bore brush and inspect for debris. Repeat as necessary until the barrel is clean.

3. Final Steps:

- After cleaning, ensure that all cleaning solvents are removed from the barrel.
- Properly store the bore brushes in their packaging or a designated cleaning kit.

Disposal Instructions

- Dispose of any damaged or worn bore brushes in accordance with local waste disposal regulations.
- Do not dispose of bore brushes in fire or extreme heat, as they may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the use of your Tipton Rifle Bronze Bore Brush, please refer to the manufacturer's website or customer service for assistance. Ensure that you have the product details available for a more efficient response.

Thank you for prioritizing safety while maintaining your firearm. Your attention to these guidelines helps ensure a safe experience for you and others.
